[Portofolio](#)

EXECUTIVE SUMMARY

Pharmacist with hands-on experience in pharmaceutical manufacturing, including following caplet production from weighing through primary packaging and supporting process validation documentation in accordance with CPOB principles. Prepared a process validation protocol for a capsule product and compiled Product Quality Review (PQR) data for more than 10 batches, including manufacturing data from batch records. GMP knowledge was further strengthened through CPOB training, while CAPA and Root Cause Analysis training supports a systematic approach to production-related problems.

EDUCATION

Pharmacist Profession, Universitas Muhammadiyah Surakarta

Mar 2025 – May 2026

- GPA: 3.81/4.0
- Relevant Coursework: Internship in Pharmaceutical Industry, Internship in Pharmaceutical Distribution

Bachelor of Pharmacy, Universitas Muhammadiyah Surakarta

Aug 2021 – Feb 2025

- GPA: 3.62/4.0
- Relevant Coursework: GMP, Pharmaceutical Regulation, Pharmaceutical Analysis

WORKING EXPERIENCE

Intern Pharmacist, PT Dipa Pharmalab Intersains

Oct 2025 – Nov 2025

Manufacturing Pharmacy, Majalengka

- Participated in QC laboratory requalification activities by monitoring specified room parameters, supporting protocol execution, data recording, and report preparation in accordance with CPOB requirements.
- Supported QC laboratory equipment requalification for hardness tester, oven, and fume hood by conducting IQ from protocol preparation through report completion, and preparing the OQ protocol.
- Prepared a process validation protocol for a capsule product as part of validation documentation in accordance with CPOB principles.
- Compiled manufacturing data from batch records for Product Quality Review (PQR) covering more than 10 batches, primarily caplet and capsule products.
- Assisted Quality Control (QC) testing of packaging materials and finished products to support compliance with established quality specifications.
- Observed caplet manufacturing from weighing through primary packaging to understand the manufacturing process and application of CPOB principles, while assisting with warehouse operations for raw and packaging materials.

Intern Pharmacist, PT Bangkit Anugerah Bersama

Aug 2025

Distributor Pharmacy, Surakarta

- Prepared and verified more than 10 medication orders daily while maintaining more than 100 distribution records, ensuring documentation accuracy and traceability in accordance with CDOB requirements.
- Received and stored more than 30 pharmaceutical products and monitored warehouse temperature in accordance with CDOB requirements to maintain appropriate storage conditions.
- Analyzed invoice revision trends using Excel by tracking revision frequency and personnel involved.
- Applied CDOB principles through a quality-system portfolio project covering RCA, CAPA, SOP/POB development, self-inspection, and computerized-system evaluation.

Molecular Biology Laboratory Assistant, UMS

Aug 2024 - Jan 2025

- Supervised laboratory sessions for 48 students in accordance with the module materials, including bioinformatics, electrophoresis, and RT-PCR
- Conducted systematic and objective evaluations and assessments of students' lab reports

ORGANIZATIONAL EXPERIENCES

- Research Project Leader, PPO Research Grant Program 2023

Jun 2023 – Dec 2023

 - Led a 4-member research team in a funded study on factors affecting blood pressure control among patients with hypertension and type 2 diabetes mellitus at RSUP Surakarta.
 - Coordinated proposal development, data collection, and project implementation, successfully securing competitive research funding.
- Secretary of the Research and Reasoning Division, Research Management Center

Feb 2023 – Jan 2024

 - Managed official correspondence, meeting minutes, activity proposals, and accountability reports for a research-focused student organization.
 - Administered document control processes, including correspondence numbering, filing, and tracking for academic programs, competitions, and organizational activities.
 - Coordinated administrative communications with speakers, judges, student organizations, and university stakeholders to support program implementation.
- Event Division, Community Health Program (KKN-Muhammadiyah ‘Aisyiyah)

Aug 2024 – Sep 2024

 - Coordinated and delivered four community health programs on stunting prevention, maternal nutrition, and balanced nutrition involving more than 80 participants.

PUBLICATIONS

- Support for the Advancement of Family Medicinal Plant Conservation (TOGA) – First Author, Abdimas Galuh (2025)
- Family and Community-Based Strategies for Preventing Stunting – First Author, Proceedings of KKN Muhammadiyah-‘Aisyiyah Webinar (2024)

TRAINING

- | | |
|---|----------|
| • Good Manufacturing Practices (GMP)/ CPOB Training Makin Ahli | Jun 2026 |
| • Quality Management System Training (ISO 9001:2015) Makin Ahli | Jun 2026 |
| • CAPA and Root Cause Analysis Training in Pharmaceutical Industry Makin Ahli | Jun 2026 |
| • Healthcare Regulatory Training in Compliance with BPOM Regulations Ioda Academy | Jun 2026 |

AWARDS & CERTIFICATIONS

- | | |
|---|-----------|
| • 3rd Place Winner, Class A, PPKO Monitoring and Evaluation Competition (Credential)
Puspresma Universitas Muhammadiyah ‘Aisyiyah | Sept 2023 |
| • Grant Recipient of Student Organization Capacity Building Program (PPKO) 2023 (Credential)
Ministry of Education, Culture, Research, and Technology of Indonesia | Jun 2023 |
| • Grant Recipient of Student Research and Community Service Program (PPO) 2023 (Credential)
Universitas Muhammadiyah Surakarta | Jun 2023 |
| • Registered Pharmacist (Active STRA), Indonesia (Credential)
Konsil Kesehatan Indonesia | Apr 2026 |
| • Test of English Proficiency (TOEP) - Score: 700 (Credential)
Universitas Muhammadiyah Surakarta | Aug 2022 |

CORE COMPETENCIES

- | | |
|--|------------------------------|
| • CPOB/GMP Compliance | • Batch Record Data Review |
| • Pharmaceutical Manufacturing Process | • Product Quality Review |
| • Production Documentation | • CAPA & Root Cause Analysis |
| • Process Validation Documentation | |

SKILLS

Language: Bahasa Indonesia, English (Score: 700).
