

APT. SELLA MOLIGA, S.FARM.

Jakarta Barat, Indonesia | Phone: 082179953992 | Email: sellamoliga02@gmail.com | LinkedIn: Sella Moliga

Registered Pharmacist with a strong, linear foundation in pharmaceutical research and comprehensive laboratory analysis spanning from vocational pharmacy training to an advanced professional degree. Possesses deep technical expertise in physicochemical characterization, analytical extraction, fractionation processes, and quantitative data handling. Highly proficient in utilizing advanced statistical modeling software (SPSS) for method evaluation and stability analysis. Adept at cross-departmental documentation workflows under CPOB/GMP frameworks, seeking to leverage analytical execution skills, data precision, and methodical laboratory tracking as an Analytical Development (AnDev) Staff at PT. Mersi Farma.

TECHNICAL SKILLS

Analytical Development & QC	Data Science & Software	Regulatory & Manufacturing
- Physicochemical Testing & Analysis - Analytical Method Validation Support - Phytochemical Profiling & Screening - Extraction & Solvent Fractionation - Laboratory Instrument Calibration	- SPSS Statistical Software (Advanced) - Quantitative Data Interpretation - Microsoft Excel (Data Modeling) - Technical Report Formulation - Research Methodology Tracking	- Good Manufacturing Practice (CPOB/ GMP) - Batch Manufacturing Record (BMR) Auditing - Product Quality Review (PQR) Capabilities - Equipment Qualification (IQ/OQ/PQ)

PROFESSIONAL EXPERIENCE

PT. Anvita Pharma Indonesia Oct 2025 – Nov 2025

Industrial Pharmacist Intern (Quality Assurance / Laboratory Audit Focus) – Karawang, West Java

- Collaborated with Research & Development (R&D) and Quality Control (QC) units to evaluate raw material specifications and batch master formulas.
- Conducted technical audits of Batch Manufacturing Records (BMR) and analytical logs to ensure absolute alignment with CPOB/ GMP quality standards.
- Evaluated data trends for Product Quality Reviews (PQR) to identify variances in batch capabilities and active raw material yields.
- Observed and monitored active equipment qualification protocols (IQ/OQ/PQ) and raw material tracking for standard manufacturing scaling.

PBF PT. Penta Valent Aug 2025 – Aug 2025

Distribution Pharmacist Intern – Banyumas, Central Java

- Monitored pharmaceutical logistics workflows to ensure compliance with Good Distribution Practice (CDOB/GDP) standards.
- Reviewed incoming delivery orders and batch traceability manifests to maintain high-integrity chain-of-custody tracking.

RSUP Dr. Kariadi Semarang & Apotek Binar Apr 2025 – Jul 2025

Clinical & Community Pharmacist Intern – Central Java

- Performed high-precision compounding operations and pharmaceutical dosing calculations for complex prescriptions.
- Managed documentation and audit tracking parameters for sensitive therapeutic asset categories.

ORGANIZATIONAL EXPERIENCE

Badan Eksekutif Mahasiswa (BEM) – STIFI Bhakti Pertiwi Jul 2022 – Jun 2023

Leader of Research and Reasoning Division

- Directed a specialized committee tasked with enhancing student research initiatives and scientific reasoning projects.
- Managed analytical timelines, scheduled task milestones, and reviewed research proposal structures before faculty-level presentations.

EDUCATION

Universitas Jenderal Soedirman

Feb 2025 – Apr 2026

Pharmacist Professional Program (PSPPA) – Purwokerto, Central Java

GPA: 3.68 / 4.00

- Completed professional focus on industrial laboratory practices, scaling safety, and instrumentation methodology checks.

Sekolah Tinggi Ilmu Farmasi Bhakti Pertiwi

Oct 2020 – Sept 2025

Bachelor of Pharmacy (S.Farm.) – Palembang, South Sumatra

GPA: 3.39 / 4.00

- Executed an original laboratory research thesis evaluating the chemical fraction capabilities of active botanical assets.
- Demonstrated independent proficiency in quantitative extraction, complex solvent fractionation, and colorimetric phytochemical profiling.

SMK Kesehatan Athalla Putra

Jun 2017 – May 2020

Vocational High School Degree in Pharmacy (SMK Farmasi) – Palembang, South Sumatra

GPA: 92 / 100

CERTIFICATIONS

TOEFL ITP Certificate – Score: 467
