Jalan Kampung Cisereh, RT.03/RW.07, Desa Kadu Jaya, Kec. Curug, Kab. Tangerang, Banten

I completed the Pharmacy Profession Program at the Faculty of Pharmacy, Universitas Gadjah Mada. I am a disciplined and hardworking individual who works effectively in team environments. I am currently working at PT Prima Medika Laboratories as a Quality Assurance Staff member, where I am responsible for implementing the company's quality management system to ensure regulatory compliance. My responsibilities include performing validation, calibration, qualification, and verification activities, developing validation protocols and reports, and maintaining the validity of equipment and reference standards used in the processes. I also have hands-on experience in conducting process validation for sterile and non sterile manufacturing, ensuring that critical production steps consistently meet required sterility, quality, and regulatory standards.
