PROFESSIONAL EXPERIENCE

Pharmacy Intern

Puskesmas Ciputat

June 2025
South Tangerang

- Provided patient-centered communication and education, strengthening trust and improving understanding of medication use.
- Managed inventory data of 779 pharmaceutical items, ensuring accurate stock availability to support continuous service operations.
- Developed SOP for prescription destruction, improving workflow efficiency and compliance in documentation processes.
- Conducted community outreach and health education to ~50 participants, demonstrating strong communication and engagement skills.
- Analyzed methadone distribution data to support program monitoring and data-driven decision making.

Pharmacy Intern

Apotek Salva Medika

Apr 2025 – May 2025
Bekasi

- Delivered self-medication counseling by assessing customer needs, ensuring appropriate product recommendations and safe usage.
- Managed prescription and telemarketing orders, supporting efficient service flow and customer satisfaction.
- Achieved 100% stock accuracy through effective stock opname and data verification.

Clinical Pharmacy Intern

RSUP Fatmawati Hospital

Feb 2025 – Mar 2025
South Jakarta

- Collaborated with healthcare professionals in high-volume hospital setting, developing strong communication and adaptability skills.
- Analyzed BPJS drug formulary changes (KMK 503 & KMK 1665) — covering 310 reductions, 13 additions, 323 removals, and 11 price adjustments — to support accurate claim management and formulary compliance.
- Managed drug program data (HIV, TB, Leprosy) to support accurate reporting and targeted distribution strategies.
- Worked under high workload (250k+ patient visits), demonstrating efficiency, prioritization, and problem-solving ability.

Analytical Development Intern

PT. Yarindo Farmatama (Fahrenheit Group)

Dec 2024 – Jan 2025
Cikande

- Supported analytical validation processes by reviewing data and ensuring alignment with regulatory and quality standards.

- Managed and verified HPLC routine check data for PDA-based specificity testing, ensuring accuracy and analytical consistency.
- Coordinated with QA team in document control processes, ensuring readiness for audit and operational continuity.

Distribution Pharmacy Intern

November 2024

PT. Penta Valent

East Jakarta

- Gained exposure to pharmaceutical distribution processes, including purchase order handling and supply chain flow.
- Maintained structured documentation system to ensure traceability and support business operations compliance
- Applied CDOB and CDAKB standards in daily operations, ensuring quality and reliability of product distribution.
