A pharmacy graduate with practical experience in pharmaceutical services, medicines management, prescription checking, dispensing, pharmaceutical preparation, and Pharmaceutical Information Services (PIO), gained through the National Internship Programme (MagangHub). Experienced in stock management, pharmacy administration, health and sanitation activities, and operational support for healthcare services within an institutional setting. Has also completed intensive Health, Safety, and Environment (HSE) training covering workplace safety, risk management, handling of hazardous materials, fire safety, and occupational health surveillance. Meticulous, adaptable, and committed to providing safe, efficient, and high quality pharmaceutical services.

EDUCATION

Universitas Muhammadiyah Ahmad Dahlan Cirebon

August 2021– October 2025

Fakultas Farmasi, Prodi S1 farmasi

IPK : 3.43 /4.00

MAN 3 PANDEGLANG

July 2018 – Mei 2021

MIPA

Final grade: 84.81/100

RESEARCH EXPERIENCE

March – July 2025

Undergraduate Research Thesis – Antibacterial Emulgel Formulation of Purple Sweet Potato Extract (*Ipomoea batatas* L.)

- Conducted formulation and evaluation of emulgel preparations containing purple sweet potato extract with various concentrations.
- Performed phytochemical screening and Thin Layer Chromatography (TLC) analysis to identify active compounds.
- Evaluated physical characteristics of emulgel formulations including pH, homogeneity, spreadability, adhesion, and syneresis stability.
- Conducted antibacterial activity testing against *Propionibacterium acnes* and *Pseudomonas aeruginosa* using well diffusion method.
- Analyzed laboratory data and prepared scientific research reports in accordance with academic research standards.

WORK EXPERIENCE

Universitas Muhammadiyah Ahmad Dahlan – Cirebon

January 2025 – November 2025

Lecturer Assistant Project - Monev Reporting & MOU Recap

- Assist in creating and organizing monitoring & evaluation (Monev) reports for academic activities.
- Managed and compiled MOU data from partner institutions to support administrative documentation.
- Supported lecturers in preparing teaching materials and coordinating class needs.
- Maintained structured records and ensured data accuracy for academic reporting.

Academic Administrative Assistant - Intellectual Property Documentation Project

- Assist lecturers in collecting, verifying, and organizing HAKI (intellectual property) data for accreditation needs.
- Compiled and standardized documentation from multiple sources links to ensure accurate and complete records.
- Supported the accreditation team by maintaining well structured digital archives of HAKI evidence and related documents.

Graphic Design Assistant - Marketing Materials Design Project

- Designed and edited promotional materials such as pamphlets, brochures, and cover pages.
- Assisted in refining visual layouts to improve clarity, branding consistency, and overall aesthetics.
- Collaborated with lecturers/staff to adjust content according to project needs and target audiences.
- Ensured all design outputs met formatting, quality, and deadline requirements.

PKM Program Support Assistant - PKM Community Outreach Project

- Assist the PKM team with preparing documents and organizing administrative requirements.
- Participated in community field observations to gather initial data and insights.
- Supported lecturers and team members by coordinating materials and activity needs.
- Helped document findings and compile information for internal use and proposal development.

Freelance Academic Content Writer – Cirebon

January 2023 – November 2025

- Assisted in writing and editing academic documents related to pharmacy and health sciences.
- Developed clear and concise summaries, explanations, and basic analyses for study materials.
- Performed proofreading, language refinement, and formatting adjustments for reports and assignments.
- Gathered references from credible sources and organized them according to academic writing standards.
- Supported the creation of presentations and simple academic visuals for learning purposes.

Store Assistant (Retail) – Banten

January 2019 – February 2020

- Assisted in daily store operations, including serving customers, managing stock, and maintaining store cleanliness.
- Handled simple transaction recording and supported restocking activities.
- Developed communication skills and a strong sense of responsibility in a fast paced retail environment.

Beverage Preparation & Customer Service – Cirebon

December 2022 – Juni 2023

- Prepared and served a variety of coffee and non-coffee beverages with attention to quality and consistency.
- Provided friendly customer service, handled orders, and ensured a pleasant coffee experience.
- Maintained cleanliness of the workstation and assisted with inventory restocking.
- Managed cash transactions and supported daily store operations.

E-Commerce Micro Business Owner – Banten

January 2018 – January 2021

- Managed daily operations of a small online shop, including product uploads, order processing, and basic inventory control.
- Handled customer inquiries and ensured timely responses across online platforms.
- Prepared and packaged orders for shipment while maintaining accuracy and product quality.

- Promoted products through simple digital marketing strategies such as social media posting and basic content updates.
- Tracked sales and recorded monthly revenue to support business monitoring.

INTERNSHIP EXPERIENCE

National Internship Program (MagangHub) – Kemenaker RI **December 2025 – June 2026**

Placement at Pilot school Banyuwangi - Indonesian Aviation Academy

- Conducted prescription screening and prepared medications according to prescriptions
- Dispensed medications and provided Drug Information Services (PIO) to patients
- Performed medication compounding and assisted with pharmaceutical administration, including SPPB preparation
- Conducted stock opname and monitored pharmaceutical inventory
- Assisted in environmental sanitation and disease prevention activities by distributing abate in dormitory and campus areas
- Supported campus health and operational activities, including educational visits to the aircraft hangar.

Industrial Visit – Pharmaceutical & Cosmetic Manufacturing Industry **May 2024**

- Observed manufacturing processes in pharmaceutical, probiotic beverage, and cosmetic industries.
- Learned quality control (QC), packaging, production workflow, and distribution systems.
- Gained exposure to cosmetic manufacturing standards, OEM/ODM systems, and industrial operational procedures.
- Prepared industrial observation reports and collaborated in group-based presentations.

Visited Company : PT Yakult Indonesia Persada, Secret Garden Herborist & PT Urban Asia Industri.

RSUD GUNUNG DJATI – kota Cirebon, Jawa barat **April 2025 – Mei 2025**

Pharmacy Department

- Assigned to various pharmacy units, including Production Depot, Drug Warehouse, Inpatient, Outpatient, Emergency Department, and PTRM.
- Assisted in prescription receiving, medication preparation, and dispensing in accordance with service standards.
- Learned and practiced medication distribution flow, proper storage procedures, and hospital pharmacy documentation systems.
- Coordinated with healthcare professionals to ensure safe, accurate, and patient centered medication services.

Anti-Bullying Campaign Volunteer **March 2024**

Social Connect – Biar Tenang Campaign

- Contributed to creating and sharing educational content to raise awareness about bullying among youth in Indonesia.
- Supported campaign activities by promoting key messages through social media and community engagement.
- Assisted in spreading information on bullying prevention, empathy, and safe community practices.
- Participated in daily campaign tasks to ensure consistent outreach throughout the 20-day program.

Novo Insight Program – Novo Club Region 8 (ParagonCorp)**January 2024**

- Joined a professional development session themed “The Power of Personal Branding in Career Advancement.
- Learned effective strategies for building a strong personal brand in the professional environment.
- Gained insights into self-presentation, career positioning, and professional communication.

Health,Safety & Environment (HSE) Training Program**March 2026**

- Studied fundamental occupational health and safety principles, risk management, and workplace accident analysis.
- Learned K3 supervision systems for mechanical equipment, steam systems, pressure vessels, electrical systems, and building construction.
- Gained knowledge of occupational health, hazardous materials handling, fire prevention, SMK3 implementation, and K3 auditing.
- Completed field practice (internship/PKL), report preparation, seminar presentation, and final theoretical examination.

ORGANIZATION EXPERIENCE

PMR (Palang Merah Remaja) – MAN 3 PANDEGLANG

Member / Youth Volunter

- Participated in basic first aid training and school health activities.
- Assisted in health campaigns and emergency preparedness programs.
- Developed teamwork, discipline, and quick-response skills.

Karya Ilmiah Remaja (Youth Scientific Club) – MAN 3 PANDEGLANG

Member / Research Participant

- Contributed to school-level scientific projects and research discussions.
- Assisted in observation, data collection, and preparing simple research reports.
- Developed analytical thinking, curiosity, and communication skills.

Earth Hour Volunteer — Tangerang

- Assisted in supporting environmental awareness activities during the campaign.
- Helped engage participants and promote the message of energy conservation.
- Participated in community-based environmental initiatives.

Graduation Committee – Universitas Muhammadiyah Ahmad Dahlan Cirebon

- Supported event operations, including registration and venue arrangement.
- Coordinated with the logistics and documentation teams.
- Assisted in managing the flow of graduates during the ceremony.
- Ensured smooth communication between committee members and campus staff.

HIMAFARSI (Pharmacy Student Association) – Universitas Muhammadiyah Ahmad Dahlan Cirebon

- Assisted in organizing academic events such as seminars and training sessions.
- Supported administrative tasks including member data management and documentation.
- Contributed to social media publication and promotional materials.

TECHNICAL SKILL

- Pharmacy information services (PIO).
- Prescription screening and evaluation of therapeutic rationality.
- Medication dispensing and compounding.
- Patient counseling and education regarding the proper and safe use of medications.
- Monitoring of patient medication therapy.
- Monitoring of drug side effects.
- Review of medication therapy and identification of drug-related problems (DRP).
- Evaluation of the effectiveness and safety of patient medication therapy.

SOFT SKILL

- Content Writing
- Leadership
- Microsoft Word
- Microsoft Excel
- Public speaking
- Basic Graphic Design (Canva)
- Basic Video Editing (CapCut)
- Social Media Content Editing
- Visual Content Creation (Photoshop)
