Serang, Banten

Registered Pharmacist with a Professional Degree (GPA 3.90/4.00) and hands-on internship experience in pharmaceutical R&D Analytical. Experienced in analytical testing, stability studies, laboratory documentation, and data evaluation to support analytical method development and product development. Detail-oriented with strong analytical and problem-solving skills, committed to Good Laboratory Practice (GLP) and continuous learning.

Education

Universitas Ahmad Dahlan - Yogyakarta, Indonesia

Jan 2025 – Apr 2026

Professional Degree, Apothecary, Current GPA 3.90 / 4.00

Universitas Ahmad Dahlan - Yogyakarta, Indonesia

Sep 2020 – Jun 2024

Bachelor Degree in Pharmacy, Current GPA 3.55 / 4.00

- **Thesis:** Screening of Fractions of Bajakah Tampala Wood (*Spatholobus littoralis* Hassk.) Extract as Antioxidants and Determination of Total Phenolic and Flavonoid Content.

Work Experience

PT. Zenith Pharmaceuticals - Semarang, Indonesia

Oct 2025 – Nov 2025

Pharmacy Intern – Research & Development Analytical

- Conducted **Thin-Layer Chromatography (TLC)** on raw materials and pharmaceutical dosage forms, and performed **UV-Visible spectrophotometric** analysis on raw materials to support analytical method development and product evaluation.
- Assisted in **High-Performance Liquid Chromatography (HPLC)** analysis and **comparative dissolution testing** across multiple dosage forms to evaluate drug release profiles and analytical performance.
- Supported **stability studies** through In-Use Stability testing, performed **raw material quality evaluation** (pH, color, clarity, identification), and conducted **gap analysis** between internal and applicable compendial analytical methods based on **FI, BP, USP, and Indian Pharmacopoeia**.
- Analyzed experimental data and prepared laboratory documentation in accordance with **Good Laboratory Practice (GLP)** to ensure data integrity and support analytical development activities, with exposure to analytical **method validation and verification** activities.

Badan Pengawas Obat dan Makanan Republik Indonesia - Jakarta, Indonesia

Sep 2025 – Sep 2025

Pharmacy Intern – Direktorat Standardisasi Pangan Olahan

- Conducted food product classification and **regulatory review** based on product characteristics, manufacturing processes, composition, and relevant **BPOM regulations**.
- Prepared **scientific and regulatory evaluations** of food ingredients and novel food sources through the review of toxicological data, bioactive compounds, historical food use, and international regulatory requirements.
- Performed **regulatory research** on food contaminants and genetically modified products by analyzing scientific literature, regulatory references, and applicable regulatory limits.

Pharmaceutical Distribution PT. Salasa Barokah Farma - Yogyakarta, Indonesia

Jun 2025 – Jun 2025

Pharmacy Intern

- Supported pharmaceutical **distribution operations** in accordance with **Cara Distribusi Obat yang Baik (CDOB)**, including goods receiving, order preparation, stock card management, stock opname, invoice verification, and warehouse temperature monitoring.
- Developed a strong understanding of **pharmaceutical distribution regulations** and licensing requirements through comprehensive documentation review, assigned projects, and **regulatory assessment related to CDOB compliance**.
- Prepared **CAPA** assignments for pharmaceutical distribution-related issues and developed an understanding of mandatory PBF reporting systems, including **E-Report and E-Was**.

Organizational Experience

BEM Faculty of Pharmacy University of Ahmad Dahlan - Yogyakarta, Indonesia

Apr 2022 – Jan 2023

Member of the Pharmaceutical Science and Development Division

- Contributed to departmental programs and student development initiatives, including organizing study groups and supporting

students' preparation for university and national outstanding student competitions.

- Led the planning, coordination, and execution of a **faculty webinar as Chief Executive**, overseeing committee activities and supporting successful event delivery.
- Contributed to the Faculty of Pharmacy for Personal Development Training (P2K) program through event coordination and served as **Moderator** and **Master of Ceremony (MC)** for **200+ participants**.

Pharmacy Club University of Ahmad Dahlan - Yogyakarta, Indonesia

Apr 2022 – Jan 2023

Secretary

- Managed administrative and documentation activities, including preparing meeting minutes, drafting proposals and accountability reports, and organizing official documents to support organizational programs.

BEM Faculty of Pharmacy University of Ahmad Dahlan - Yogyakarta, Indonesia

Jun 2021 – Feb 2022

Treasurer of the Pharmaceutical Science and Development Division

- Managed departmental financial administration, including budget monitoring, expense documentation, and financial reporting to support organizational activities and ensure accountability.

Workshop/Course/Certification

Good Laboratory Practice – Makin Ahli	2026
Instrument FTIR (Fourier Transform Infrared) – Teman Group	2026
Hybrid Makeup-Skincare Product Formulation – Teman Group	2026
Regulatory Affairs (Halal, BPOM, SNI) in Pharmacy Industry Training – Teman Group	2026
Quality Assurance (QA) In Pharmaceutical Industry – Makin Ahli	2026
School of Pharmacy International Exchange Committee 2nd Online Joint Seminar – Showa University	2023

Skills

Soft Skills :

Analytical & Critical Thinking | Attention to Detail | Problem Solving | Communication & Interpersonal Skills | Coordination | Teamwork & Collaboration | Leadership | Public Presentation & Moderation.

Technical Skills :

Microsoft Office; Excel, PowerPoint, Word | Data Analysis & Interpretation | Scientific Literature Review | Structured Reporting & Documentation | Product Stability Evaluation | Good Laboratory Practice | GMP & CPOB Principles | Thin-Layer Chromatography | UV-Vis Spectrophotometry | Comparative Dissolution Testing.

Language Skills :

English (Intermediate) - Ahmad Dahlan English Proficiency Test (ADEPT) : 536.
