(Aug 2025 - Now) **Universitas Indonesia**
Apothecary Program

- GPA 3.82 of 4.00

ACHIEVEMENTS

- 2024
- Gold Medal Thailand Inventors Day (IPITEX)
 - Gold Medal Youth International Science Fair (YISF)
 - Gold Medal Jakarta International Science Fair (JISF)
 - Silver Medal Indonesia International Invention Expo (IIIEEX)
 - Awardee of PMW Sriwijaya University Grant Fund
- 2023
- Bronze Medal Innovation Competition WINTEX
- 2022
- 2nd Runner up Lokalate Marketing Competition PT Nutrifood Indonesia

WORK EXPERIENCES

(Jan 2026 - Feb 2026) **PT Kalventis Sinergi Farma**

Apothecary Student Intern

- Developed improvement project: Enhancing Training Duration Efficiency through the Implementation of Video-Based Learning
- Developed improvement project: Enhancing the Database-Based Document Archiving System to Improve Training Effectiveness and Document Management Efficiency
- Prepared Quality Risk Management (QRM) documentation by evaluating manufacturer and supplier information, including certifications, audit status, company profiles, and material-related quality documents.
- Supported new vendor qualification activities and assisted in the preparation of vendor decision documentation.
- Monitored CAPA and Change Control (CC) documentation to track submission status and document completeness.
- Supported the management of QC examination records, including document preparation, controlled documentation, and logbook recording.
- Performed batch record identification and labeling by verifying product names, item numbers, and batch numbers.
- Performed batch document traceability based on item numbers to support accurate retrieval and documentation of production records.
- Supported packaging documentation through data entry and record maintenance.
- Assisted in Product Quality Review (PQR) activities through the compilation and entry of in-process control data.

(Nov 2025) **PT Global Chemindo Megatrading**

Apothecary Student Intern

- Conducted temperature and humidity mapping of storage areas and performed trend analysis to evaluate storage condition compliance with Good Distribution Practice (GDP) requirements.
- Prepared distribution validation reports, deviation reports, and Quality Risk Management (QRM) documentation to support quality system implementation.
- Prepared distribution validation reports and supporting documentation to ensure proper documentation of pharmaceutical delivery activities.
- Managed warehouse and distribution quality documentation, including storage condition records, pre-delivery vehicle inspections, and supplier document verification to ensure completeness and compliance with GDP requirements.

(Aug 2024 - Dec 2024) **Clinical Biochemistry Laboratory Assistant / Universitas Sriwijaya**

- Supported clinical biochemistry laboratory activities through sample preparation, biochemical analysis, data recording, and adherence to laboratory SOPs and quality practices.

ORGANIZATION

2024 **Himpunan Keluarga Mahasiswa Farmasi UNSRI**

- Led and coordinated division members in planning and executing organizational programs.
- Managed end-to-end preparation and execution of student development events, with approximately 180 total participants.
- Developed skills in leadership, project management, stakeholder coordination, and problem-solving through organizational activities.

SKILLS

Soft Skills: Problem solving, Ability to Collaborate, Fast Learner, Good Communication
Software: Microsoft Word, Microsoft Excel, Microsoft Power Point, Canva
