Pharmacy graduate with internship experience at the Ministry of Health of Indonesia, hospital pharmacy, and clinical laboratory settings. Experienced in healthcare data analysis, laboratory documentation, analytical method validation, and pharmacy inventory operations. Detail-oriented and adaptable, with a strong interest in Quality Control (QC), Quality Assurance (QA), Research & Development (R&D), and pharmaceutical manufacturing.

EDUCATION

Pelita Harapan University

August 2022 - July 2026

Bachelor of Pharmacy | GPA : 3.02 / 4.00

Thesis Title "Optimization And Validation Of a UV-Vis Spectrophotometry Method For Determining Hydrogen Peroxide (H₂O₂) Content In Toothpaste Formulation".

- Developed and validated a UV-Vis spectrophotometric method for determining hydrogen peroxide in toothpaste.

WORK EXPERIENCE

Ministry of Health of the Republic of Indonesia

February 2025 - July 2025

Kemendes RI, INTERN

- Reviewed National Clinical Practice Guidelines (PNPK FKTP) to identify 59 diseases requiring antibiotic therapy and classified recommended antibiotics according to the WHO AWaRe framework for national antimicrobial stewardship evaluation.
- Compiled and analyzed national antibiotic prescribing data from all 34 provinces (2020–2024) for Acute Respiratory Infection (ARI) non-pneumonia and non-specific diarrhea, creating comparative trend visualizations in Microsoft Excel to support rational antibiotic use monitoring.
- Compiled questionnaire feedback from all 34 provinces covering 40 essential medicines into Microsoft Excel, supporting national monitoring of medicine availability across government healthcare facilities.
- Verified and organized more than 200 inactive pharmaceutical program records from 2016 and 2018 using Microsoft Excel, improving documentation accuracy and record accessibility.

Laboratory Administrator

August 2021 - September 2021

CIPUTRA HOSPITAL, CITRA GARDEN

- Registered and verified 50+ laboratory samples per day by confirming patient identities prior to laboratory processing, supporting accurate patient records and efficient laboratory workflow.
- Updated patient identities and laboratory test results in the National All Record (NAR) system, including resolving a 2–3 month backlog of pending patient data to improve the completeness of laboratory records.

Pharmacy Technical Assistant (Asisten Tenaga Teknis Kefarmasian)

February 2020 - April 2020

RSIA MAKIYYAH, INTERN

- Processed 20+ outpatient prescriptions per day, supporting prescription screening and medication preparation in the hospital pharmacy.
- Prepared medication and medical supply kits for childbirth procedures to support pharmacy readiness and patient care.
- Conducted three pharmacy stock opname activities in the Emergency Department (ED), verifying medicine inventory and stock availability.. Performed daily temperature monitoring of medicine storage areas to ensure compliance with pharmaceutical storage standards.

LEADERSHIP EXPERIENCE

Committee under the auspices of BEM

Support "For Curug Sangereng Village".

- Formulated product selection strategies and optimized pricing models for a two-week fundraising campaign, achieving an overall profit margin of nearly 38%.
- Monitored campaign expenditures and implemented cost-control strategies to maximize fundraising profitability.

Purpose "Enhancing Tax Awareness".

- Coordinated event planning by developing Smartbooks, Cue Cards, and detailed program timelines, ensuring effective collaboration across multiple divisions and speakers.Led on-site event execution by managing venue layout, stage operations, seating arrangements, and audiovisual cues to ensure the event ran efficiently and according to schedule.

Research Interests

: Pharmaceutical Analysis, Cosmetics Formulation & Analytical Method Validation.

Soft Skill

: Ms. Word, Ms. Excel, Ms. Power Point, Spectrophotometry UV-Vis, Method Validation, Analytical Thinking, Problem Solving, Adaptability, TeamWork, Desain Product & Digital Content Creation.

Public Speaking

: Master of Ceremony (MC), Moderator & Guest Speaker.
