SUMMARY

Pharmacist Candidate at Universitas Sumatera Utara, expected to graduate in August 2026, with a Bachelor of Pharmacy (GPA: 3.79/4.00). Gained hands-on experience through Professional Pharmacist Internship (PKPA) rotations across pharmaceutical manufacturing, hospital, pharmaceutical distribution, community health center, and community pharmacy settings, with exposure to pharmaceutical care, quality management systems, and regulatory compliance. Additionally, served as a Physical Pharmacy Laboratory Teaching Assistant for two years, actively participated in student organizations, and was awarded the Beasiswa Prestasi Universitas Sumatera Utara. Recognized for strong leadership, collaboration, analytical thinking, and a commitment to continuous learning and professional development.

EDUCATION

Universitas Sumatera Utara August 2025 – August 2026
Professional Pharmacist Program

Universitas Sumatera Utara August 2021 – August 2025
Bachelor of Pharmacy, GPA: 3.79/4.00

EXPERIENCES

Rumah Sakit Umum Pusat Fatmawati – South Jakarta March 2026 – April 2026
Professional Pharmacist Internship (PKPA)

- Collaborated with pharmacists in delivering pharmaceutical care, including medication preparation, inpatient medication therapy monitoring, ward rounds, clinical case discussions, and patient education in accordance with the Indonesian Ministry of Health Regulation No. 72 of 2016.
- Performed aseptic sterile compounding, contributed to inventory management, and followed medication safety procedures to maintain product quality and minimize medication errors.

PT Kalbio Global Medika – Central Cikarang, Bekasi Regency January 2026 – February 2026
Professional Pharmacist Internship (PKPA) (Division: Quality System and Compliance – GMP Compliance)

- Analyzed company practices against PIC/S GMP, EU GMP, and CPOB requirements by conducting Gap Assessments through Microsoft Excel and reviewing quality documentation to support regulatory compliance and audit readiness.
- Managed and handled activities related to the Quality Management System (QMS), including the management of Corrective Action and Preventive Action (CAPA), Change Control, and documentation in accordance with Good Documentation Practice (GDP).

PT Millenium Pharmacon International – Medan November 2025
Professional Pharmacist Internship (PKPA)

- Participated in pharmaceutical distribution activities in compliance with Good Distribution Practice (GDP/CDOB), including handling pharmaceuticals, medical consumables, medical devices, and observing receiving, storage, and distribution processes.
- Supported distribution quality activities through temperature mapping, cold chain monitoring, quality documentation, and implementation of Good Documentation Practice (GDP).

Puskesmas Martubung – Medan October 2025
Professional Pharmacist Internship (PKPA)

- Prepared, compounded, and dispensed over 70 prescriptions daily while providing patient counseling and education on the rational use of medicines under pharmacist supervision.
- Maintained pharmaceutical inventory by supporting receiving, storage, inventory control, and the development of health education materials.

Apotek Marita – Medan September 2025
Professional Pharmacist Internship (PKPA)

- Performed prescription screening, medication preparation, compounding, and dispensing under pharmacist supervision in accordance with Standard Operating Procedures (SOPs).
- Contributed to Drug Information Services (DIS) and inventory management through stocktaking, expiration date monitoring, and implementation of FIFO/FEFO principles.

Laboratory Teaching Assistant

- Managed laboratory operations, including equipment maintenance, chemical inventory, stock management, and laboratory readiness for practical sessions and research.
- Facilitated laboratory practical sessions by preparing materials, supervising students, ensuring experimental accuracy, and maintaining laboratory safety standards.

ORGANIZATIONAL EXPERIENCE

BEM Fakultas Farmasi Universitas Sumatera Utara

March 2024 – May 2025

Secretary, Education and Scientific Development Division

- Collaborated in planning and implementing educational and scientific development programs aligned with organizational objectives and student needs.
- Coordinated project timelines, program implementation, evaluations, and activity reports to ensure successful execution.

INCOMPHASCO

January 2024 – May 2025

Olympiad Division Member

- Participated in preparing the team for national science competitions through intensive training, academic development, and teamwork.
- Collected and managed information on relevant competitions while supporting planning and team preparation activities.

ACHIEVEMENTS
