Skills, Achievements & Other Experience

- **Achievements** (2024): Achieved 2nd place at the "NETROPRENEUR HMTI Universitas Gadjah Mada (UGM)" Business Case Competition, in collaboration with ParagonCorp, focusing on the theme of sustainable beauty. The competition required the development

of innovative, eco-friendly business solutions that align with environmental responsibility while meeting modern consumer demands. I contributed by designing a unique business concept that integrates sustainability into the beauty industry, collaborating with a team to tackle challenges, and enhancing my problem-solving and critical-thinking skills. This experience provided valuable insights into the sustainable beauty landscape and further developed my ability to combine creativity with practical, responsible business solutions.
