### SUMMARY

Certified Pharmacist who has a high interest in the pharmaceutical industry. Currently I'm working as a Quality Assurance Process Line Supervisor to carry out responsibility in Qualification, Validation, Deviation Handling, and monitoring a quality-related aspects towards the production process of liquid and solid oncology dosage form.

As a dedicated QA with around 4 years of experience, I'm looking forward to bringing what I've learned into a new environment. I enjoy working with teams to make sure processes run smoothly and meet quality standards. I'm excited about the chance to contribute and keep learning along the way.

### Work Experience

#### **PT. Global Onkolab Farma (A Kalbe Company)**

Quality Assurance Process Line Supervisor Sep.2022 - Present

Carrying out responsibility in Qualification, Validation, Deviation Handling, and monitoring quality-related aspects towards the production process of liquid and solid oncology dosage form.

#### **Key Responsibilities:**

- Supervised QA activities in sterile injectable and oral production line, ensuring compliance with cGMP and regulatory requirements.
- Reviewed pilot and commercial validation processes and provided on-site support during trials and technical studies at PT GOF.
- Maintaining routine qualification of equipment, utilities (HVAC, Water System, Compressed Air), and Personnel Qualification for Aseptic Gowning and Visual Inspection.
- Led aseptic process validations, including media fill simulations and initial process qualifications.
- Handled deviation investigations, root cause analysis, and implementation of effective CAPAs.
- Managed risk assessments and documentation for process issued and improvements.
- Prepared Product Quality Reviews (PQR) to monitor product performance and identify trends.
- Ensured continuous compliance through regular internal audits and training.

### Key Achievements:

- Involved in equipment qualification lifecycle projects for expansion line (IQ, OQ, PQ), aseptic process validation, and pilot-scale capacity expansion, contributing to successful certification of new aseptic manufacturing lines.
- Develop personnel gowning qualification and appointed as personal trainer for hygiene and aseptic behavior in PT. GOF.
- Streamlined personnel visual inspection procedures, enhancing the efficiency and consistency of visual inspection qualification.

## Universitas Gadjah Mada

Laboratory Assistant | Feb.2020 - Sep.2021

Laboratory Assistant in **Department of Pharmaceutical Technology, Department of Pharmaceutical Sciences, and Department of Chromatography**

## Fakultas Farmasi, Universitas Gadjah Mada

Volunteering | Feb.2018 - Aug.2022

**Sumpah Apoteker 2022** (Chairman) Led overall planning and execution of the event, including managing personnel, coordinating timelines, and ensuring effective operations.
