Bandung, West Java, Indonesia

Licensed Pharmacist from Universitas Padjadjaran with an interest in pharmaceutical products, marketing, and product development. Possessing 2 years of experience as a laboratory assistant in solid, liquid, and semisolid dosage form research, along with experience in pharmaceutical research and Quality Assurance activities. Strong communication, presentation, and interpersonal skills developed through academic, professional, and organizational experiences, including event committees and experience as an event MC.

Education Level

Universitas Padjadjaran  - **Jatinangor, Indonesia**

Aug 2021 - Aug 2025

Bachelor of Pharmacy, 3.54/4.00

- Bachelor's Thesis: Formulation and Evaluation Piperine Dissolving Microneedle Patch using PVPK30 and HPMC K100 as Base Materials (Graduated Cum Laude)
- Contributed to the development of EXFOSA, a banana peel extract-based exfoliating pad, as a formulator and packaging designer through PKM-K.

Universitas Padjadjaran  - **Jatinangor, Indonesia**

Aug 2025 - Aug 2026

Pharmacist Professional Program, 3.71/4.00

Work Experiences

PT Dankos Farma - East Jakarta, Indonesia

Mar 2026 - Apr 2026

QA PQR and CLV Intern (PKPA)

- Authored and finalized 2 Product Quality Review (PQR) reports (10+ and 100+ batches), from data analysis to final QA Manager approval
- Performed statistical process control and process capability analysis (Cpk/Ppk) using Minitab for 110+ batches to evaluate process performance and support CPOB compliance
- Analyzed PQR quality data, including stability results, CAPA recurrence, change control, and quality trends
- Gained foundational knowledge in Cleaning Validation (CLV), learning identify marker, MACO, and swab/rinse sampling protocols.

PT Bina San Prima - Tasikmalaya, Indonesia

Nov 2025

Apothecary Intern (PKPA)

- Developed practical knowledge of CDOB through hands-on exposure to pharmaceutical storage, cold-chain management, and distribution processes.
- Gained exposure to pharmaceutical distribution documentation and procedures in accordance with CDOB requirements
- Translated PIC/S PI 047-1 on Good Distribution Practices for Active Substances used in Medicinal Products for Human Use to facilitate understanding of distribution standards.

Clinical Pharmacy Universitas Padjadjaran

Feb 2025 - Jun 2025

Laboratory Assistant

- Assisted 30 students in clinical pharmacy laboratory and practical activities
- Supported practical examination activities, including OSCE preparation and assessment
- Guided students in discussing and interpreting laboratory results during practical sessions
- Modules: Infection, Cardiovascular, Endocrine, Gastrointestinal, Musculoskeletal, etc

Universitas Padjadjaran - Jatinangor, Indonesia

Aug 2024 - Jan 2025

MBKM Research Internship

Research Internship focused on MISUKE (Mineral Susu Kedelai) development for stunting prevention

- Contributed to the process optimization of MISUKE (Mineral Susu Kedelai) in granule and tablet forms
- Assisted in the evaluation of tablet dosage forms, including hardness, LOD, disintegration time, etc
- Participated in promoting the product at "Universitas Padjadjaran Food Innovation" and "Appreciation Exhibition 2024 and Exhibition of Natural Products Based Cosmetics & Nutraceuticals" in Jakarta, organized by Kemenkes
- Participated as a co-author of "Sediaan Farmasi Mineral Air Laut: Dari Dasar Samudera ke Laboratorium", published by Deepublish

Formulation and Technology Pharmacy of Liquid Semi-solid

Aug 2024 - Dec 2024

Laboratory Assistant

- Assisted 25+ students in pharmaceutical formulation practicals.
- Guided formulation calculations and preparation of liquid and semisolid dosage forms
- Supervised practical sessions and provided hands-on assistance in laboratory procedures and dosage form evaluation
- Supported students in resolving practical difficulties and understanding formulation principles

- Modules: elixir, syrup, suspension, emulsion, suppositories, ovula, lipstick, etc

Formulation and Techonology Pharmacy of Solid

Feb 2024 - Jun 2024

Laboratory Assistant

- Assisted 25+ Students in pharmaceutical formulation practicals
- Guided students through the end-to-end preparation of solid dosage forms, including batch record preparation, formulation calculation, granulation, compression, coating, dissolution testing, and dosage form evaluation.
- Demonstrated laboratory instruments for solid dosage form evaluation
- Assisted students in troubleshooting experimental procedures and interpreting formulation results
- Modules: Wet granulation, dry granulation, direct compression, coating, instant granulation, etc

Basic Pharmaceutical Chemistry

Aug 2023 - Dec 2023

Laboratory Assistant

- Assisted 25+ 1st-semester pharmacy students with the identification and synthesis of chemical compounds.
- Guided students in using laboratory instruments for chemical analysis.
- Provided step-by-step guidance and troubleshooting support to help students understand experimental procedures
- Modules : Functional group identification, Iodoform synthesis, Acetanilide synthesis, Benzoi Methyl synthesis etc

Organisational Experience

Pengabdian Masyarakat (ApoTalks) - Jatinangor, Indonesia

Oct 2025

PIC of MC

A community service program providing health education to high school students on caffeine consumption and skincare

- Led and Coordinated 20 MCs for community service program, overseeing MC preparation and performance
- Trained MCs in effective content delivery, engaging game, and interactive role-play technique

Protokoler Farmasi Unpad - Jatinangor, Indonesia

Jan 2022 - May 2025

Master of Ceremony

Students organization responsible for protocol management, ceremonial events, and event coordination within the Faculty of Pharmacy

- Frequently served as MC of apothecary oath, workshop, talkshows, seminar, and many national/ international/ formal/ informal events.
- Managed guest relation as LO for distinguished and international guests

Pharmacopeia - Jatinangor, Indonesia

Oct 2023 - Nov 2023

PIC of "Make Your Own Body Wash Competition"

A pharmaceutical education program consisting of a webinar series and competition

- Coordinated 50+ participants across the preliminary and final rounds, including equipment and material preparation.
- Developed competition requirements and scoring criteria and coordinated with judges.
- Managed competition logistics and ensured smooth execution of the body wash competition

PRABU Unpad - Jatinangor, Indonesia

Jul 2023 - Sep 2023

Facilitator

- Facilitated orientation activities and guided new student throughout the PRABU Unpad main event
- Facilitated pre-event activities for 30+ new students to foster peer connections and strengthen engagement among new students

Badan Eksekutif Mahasiswa - Jatinangor, Indonesia

Jan 2022 - Jan 2023

Kajian Strategis dan Propaganda Staff (PIC of Pharmareach)

- Developed 5 Instagram educational content "Pharmareach," covering trending healthcare topics and relevant healthcare topics
- Coordinated "Diazepam," a health-focused event featuring discussions and talk shows on current healthcare topics.

Publication, Achievements & Skills

- **Book Publication** 📖 (2026): Co-Author of "Sediaan Farmasi dengan Mineral Air Laut : Dari Dasar Samudera ke Laboratorium"
- **Journal Publication** 📖 (2025): Co-Author of "Effectiveness of Cognitive-behavioral Therapy for Generalized-Anxiety Disorders in Adolescents : Systematic Review of Case Reports Using PICO Framework" on Pharmacology and Clinical Pharmacy Research
- **Achievements** 🏆 (2024): 3rd Place - Cosmetory Video Challenge (Labcos Fakultas Farmasi Unpad)
- **Achievements** 🏆 (2020): Cambridge B1 Preliminary Practice Test – 66% (The British Institute)
- **Hard Skills**: Microsoft Office (Word, Excel, Power Point) and Google Workspace (Docs, Sheets, Slides, Drive)
- **Hard Skills**: Minitab, Design Expert, and Canva (Intermediet)
- **Soft Skills**: Communication, Teamwork & Collaboration, Problem Solving, Willing to learn, Adaptability.
