

VIONA MEILINDA

Apoteker

As a apothecary graduated from University of Surabaya, I am eager to contribute my skill and knowledge. Have a strong interest in industry and marketing, i want to explore more about industrial. Motivated to start a career in industry I also have some value that make a good contribution to the company such as well organize team, quickly adaptation, strong desire and a person who wants to grow and develop. From my experience and my apothecary's skill. I have some skill such as good communication, proactive, problem solving and team work. I am eager to apply these skill as a professional and i'm excited about new challenges
