

Apt. Okky Himawan, S. Farm.

Adaptable and Detail Oriented Pharmacist

East Jakarta, DKI Jakarta | +62 857 9898 7724 | okkyhimawan2001@gmail.com | linkedin.com/in/okky-himawan-000078238

PROFESSIONAL PROFILE

Highly enthusiastic Cum Laude Pharmacist graduate from Universitas Indonesia with a solid foundation in Analytical Development, Quality Control, Good Laboratory Practice (GLP), and CPOB compliance. Demonstrates strong analytical and laboratory skills supported by practical hands-on experience at PT Sterling Products Indonesia, along with specialized technical training in HPLC and FTIR instrumentation. Proficient in literature studies, stability testing, method verification support, and formulation/analytical parameter evaluations from undergraduate research. Eager to leverage strong analytical thinking, instrumentation competencies, and laboratory rigor as an Analytical Development (Andev) Staff at PT Mersifarma TM.

RELEVANT INTERNSHIP EXPERIENCE

PT Sterling Products Indonesia (Haleon Indonesia) – QC Intern – Laboratory & Documentation (Jul 2025 – Aug 2025)

- Standardized Quality Management System (QMS) templates and laboratory report documentation for 32 pharmaceutical products, enhancing efficiency and ensuring GDP compliance.
- Developed standardized stability assessment and change control templates for production equipment (tablet blister machines) and primary packaging materials.
- Drafted internal stability protocols aligned with ICH Guidelines and regulatory standards to support product quality and shelf-life verification.
- Updated Standard Operating Procedures (SOPs) for site biometric attendance systems to ensure regulatory and site compliance.
- Assisted in the qualification, verification, and validation processes for site software applications and hardware infrastructure.
- Applied ALCOA+ Data Integrity principles across quality records, including deviation logs, change controls, and lab records, to ensure audit readiness.
- Compiled Halal raw material documentation according to KMA No. 748/2021 to support regulatory and halal audit readiness.
- Facilitated internal and external regulatory compliance during BPOM audits by verifying adherence to CPOB/GMP standards.

University of Indonesia Hospital (RSUI) – Clinical Pharmacy Intern (Sep 2025 – Oct 2025)

- Dispensed medications accurately and verified prescriptions for quality and dosage compliance.
- Monitored stock accuracy through systematic opname activities.
- Prepared non-sterile pharmaceutical preparations (ointments and capsules) per standard procedures.
- Evaluated chemotherapy regimens for breast cancer patients at RSUI (July–September 2025) to assess treatment appropriateness

Kimia Farma Pharmacy (Matraman) – Pharmacy Intern (Jun 2025 – Jul 2025)

- Supported pharmacy services by ensuring accurate dispensing based on prescriptions.
- Provided patient counseling and guidance for appropriate self-medication.
- Supported patient education for Prolanis (Chronic Disease Management Program).

PT Tri Sapta Jaya – Pharmaceutical Wholesaler Intern (May 2025 – Jun 2025)

- Managed and aligned product master data with regulatory databases to ensure compliance.

- Compiled and analyzed distribution (genba) data to support operational monitoring at national level.
- Identified and documented expired marketing authorization (NIE) products as part of regulatory compliance control.
- Evaluated receiving and dispatch operations at PT Tri Sapta Jaya Pusat against Good Distribution Practice (GDP) standards, identifying operational gaps to ensure strict supply chain compliance.

Puskesmas Makassar – Pharmacy Intern (Apr 2025 – May 2025)

- Ensured accurate dispensing and labeling of medications per standard protocols.
- Provided patient education on HIV therapy, medication use, and adherence.

EDUCATION

Universitas Indonesia (2025 – 2026)

Pharmacist Professional Program | GPA: 3.67 / 4.00 (Cum Laude)

Universitas Pembangunan Nasional "Veteran" Jakarta (2020 – 2024)

Bachelor of Pharmacy | GPA: 3.51 / 4.00

RESEARCH & THESIS

Bachelor's Thesis Project | UPN "Veteran" Jakarta (2024)

- Title: Development of Water Extract of Pacing Pentul Bract (*Costus woodsonii* Maas.) as an Antioxidant Shampoo.
- Formulated and evaluated liquid dosage form (shampoo) parameters, including physical stability, pH, viscosity, and antioxidant activity testing.

CERTIFICATIONS & TRAINING

- **Cara Pembuatan Obat yang Baik (CPOB)** – Makin Ahli (No: 379/AF-OF7/MA/V-2026)
- **Quality Assurance (QA) in Pharmaceutical Industry** – Makin Ahli (No: 219/AF-OF8/MA/V-2026)
- **FTIR Spectroscopy Fundamental (One Day Training)** – PT Ditek Jaya (No: SIR/24/IX/24-02)
- **Liquid Chromatography Fundamental (One Day Training)** – PT Ditek Jaya (No: SLC19/IX/24-02)

SKILLS & COMPETENCIES

- **Analytical & Laboratory:** Laboratory Report, Stability Assessment, Stability Protocol, Instrumentation Analysis (HPLC, FTIR, Spectrophotometer UV-Vis)
- **Quality & Regulatory:** CPOB, GLP, QMS, SOP, Change Control, ALCOA+ Data Integrity.
- **Research & Literature:** Literature Study, Formulation & Physical Stability Testing, Raw Material/COA Review.
- **Software & Tools:** Microsoft Office (Excel, Word, PowerPoint), Laboratory Documentation Systems.
- **Languages:** Bahasa Indonesia (Native), English (Professional Working Proficiency).

LABORATORY & ORGANIZATIONAL EXPERIENCE

UPN "Veteran" Jakarta – Laboratory Teaching Assistant – Phytochemistry, Pharmaceutical Chemistry, Pharmaceutics & Sterile Technology (Feb 2022 – Jun 2023)

- Assisted in laboratory demonstrations and practical sessions for pharmaceutical chemistry and sterile technology.
- Managed laboratory materials and maintained equipment readiness for smooth practical operations.
- Applied Good Laboratory Practice (GLP) standards across all laboratory activities.

Pharmacy Student Association – UPN "Veteran" Jakarta – Head of Student Welfare and Advocacy Division (Jan 2023 – Dec 2023)

- Led and coordinated divisional programs, managing cross-functional student teams effectively.
- Acted as liaison between students and faculty for academic and non-academic matters.
