Kedungsarimulyo, Welahan, Jepara, Central Java

A pharmacist graduated from Setia Budi University with a strong interest in analytical development. I have experience in Pharmacy Professional Internship in the pharmaceutical industry, including testing of raw materials and products, IPC, stability testing, comparative dissolution testing, and Analytical Method Verification. Understanding the principles of GMP, the operation of analytical instruments, and familiar with literature studies. I have good analytical thinking and communication skills, able to work under pressure, adaptive, disciplined, and responsible.
