ABOUT

I am fresh graduate Pharmacist from Universitas Andalas, Class of 2025, with strong interest in Quality Control and In-Process Control within pharmaceutical manufacturing. Experienced in physicochemical testing, analytical instrumentation (HPLC, GC, UV-Vis, IR), and GMP regulated laboratory documentation. Familiar with in-process testing, system suitability evaluation, and data integrity principles to ensure product quality and compliance.

PHARMACIST INTERNSHIP

Rumah Sakit Pusat Angkatan Darat (RSPAD) Gatot Soebroto | Central Jakarta, DKI Jakarta

Mar – Apr 2025

Clinical Pharmacist Intern

- Assisted in prescription review and dispensing in a high-volume hospital pharmacy setting.
- Provided patient counseling and medication information services.
- Participated in medication therapy monitoring and pharmaceutical service evaluation.

PT. Lapi Laboratories | Cikande, Serang Regency, Banten

Jan – Feb 2025

Pharmaceutical Industry Intern

- Reviewed, updated, and controlled MSDS and QA documentation in compliance with GMP and internal quality systems.
- Monitored documentation compliance related to chemical safety and hazardous materials.
- Reviewed QA documentation supporting analytical and environmental monitoring activities in GMP regulated areas.
- Supported audit readiness by ensuring analytical and HSE-related documents complied with GMP requirements.
- Participated in 5R implementation monitoring as part of quality culture and continuous improvement.
- Assisted in delivering fire safety and emergency response training, emphasizing compliance with industrial safety SOPs.

PT. Tri Sapta Jaya | Padang, West Sumatra

Dec 2024

Pharmacist Intern

- Ensured compliance with Good Distribution Practice (GDP) in pharmaceutical distribution facilities.
- Executed medicine picking, packaging, and distribution based on approved pick lists.
- Maintained and organized pharmaceutical sales and distribution documentation.

Apotek Kimia Farma Siteba | Padang, West Sumatra

Nov 2024

Community Pharmacist Intern

- Implemented pharmacy management systems and delivered pharmaceutical care services in a pharmacy setting.
- Responsible for preparing, prescription, and dispensing 50+ prescriptions per day.
- Provided counseling, information, and education to patients regarding the proper use of medications.
- Responsible for managing financial processes related to income from pharmaceutical products.

Puskesmas Koto Panjang Ikua Koto | Padang, West Sumatra

Okt 2024

Community Pharmacist Intern

- Responsible for preparing, prescription, and dispensing 100+ prescriptions per day.
- Provided counseling, information, and education to patients regarding the proper use of medications.
- Learned about the management and handling of pharmaceutical products within primary healthcare centers.
- Performed medical check-up, including physical check-ups, blood pressure measurement, and blood glucose testing for outpatients.

EDUCATION

Apothecary Professional Degree, Universitas Andalas

Aug 2024 - Aug 2025

- GPA: 3.92 / 4.00 (Cumlaude)
- Internships: Puskesmas Koto Panjang Ikua Koto, Apotek Kimia Farma, PBF PT. Tri Sapta Jaya, RSPAD Gatot Soebroto Jakarta Pusat, PT. Lapi Laboratories (Health, Safety, and Environment Departement)

Bachelor of Pharmacy, Universitas Andalas

Aug 2020 – Jul 2024

- GPA: 3.21 / 4.00 (Very Satisfactory)
- Relevant Coursework: Good Manufacturing Practice, Pharmaceutical Product and Technology.
- Final Project Research Area (Clinical Pharmacist): Study The Use of Antibiotics in Community-Acquired Pneumonia Patients at Dr. M. Djamil Hospital Padang Using The Gyssens Method

- Carried out a prospective assessment of antibiotic therapy in 24 community-acquired pneumonia cases.
- Analyzed treatment data in relation to clinical outcomes of patients with community-acquired pneumonia.

ORGANIZATION AND VOLUNTEERING EXPERIENCES

DPM KM Fakultas Farmasi Unand Honorary Board Staff	Dec 2022 - Dec 2023
- Monitored and assessed the performance of Student Representative Council members. - Granted rewards and acknowledgments to outstanding Student Representative Council members for their active contributions during one year of tenure.	
DPM KM Fakultas Farmasi Unand Vice General Chairman	Dec 2021 - Dec 2022
- Responsible to the chairman and coordinated the work programs of the Student Representative Council. - Facilitated the “Sekolah Revolutioner” program, organizing internships for new students, assign tasks and dividing them into departements to enhance their understanding of the organizational structure.	
BEM KM Fakultas Farmasi Unand Young Staff at Internal Audit	Feb – Sep 2021
Assisted Senior Staff members in executing organizational programs and activities.	
Community Service at III Koto Aur Malintang Sub District Coordinator of the Consumption Division	Jul – Aug 2023
Responsible for planning and ensuring the provision of sufficient food and beverages for participants and stakeholders.	
Laboratory Teaching Assistant Physicochemical Analysis	Sep – Dec 2023
- Conducted qualitative and quantitative pharmaceutical analysis using HPLC, UV-Vis, IR, GC, and TLC Densitometry. - Conducted physicochemical evaluation of active pharmaceutical ingredients relevant to dosage form development. - Applied basic principles of analytical method development and verification. - Prepared analytical solutions, standards, and samples in compliance with GLP. - Documented analytical results in laboratory records. - Ensured analytical procedures were conducted in accordance with validated methods, SOPs, and data integrity principles. - Performed preliminary validation parameter assessments (linearity, precision, accuracy). - Interpreted chromatographic data and investigated analytical inconsistencies. - Applied basic principles of pharmaceutical technology in laboratory-scale experiments.	
Laboratory Teaching Assistant Human Physiology and Anatomy	Sep – Dec 2023
- Assisted laboratory sessions in human anatomy and physiology courses. - Guided students in understanding organ systems, cellular structure, and physiological mechanisms. - Supported practical demonstrations and ensured proper laboratory procedures. - Maintained laboratory documentation and assisted in session preparation.	

SKILLS

Hard Skill

- Microsoft Office (etc. Excel, Word, and PowerPoint)
- IBM Statistical Package for the Social Sciences (SPSS)
- Canva (Design Application)
- English (TOEFL Score : 450, May 2024)

Soft Skill

- Discipline
- Adaptable
- Problem Solver
- Critical Thinking
- Work Professionally
- Good Communication
- Ability to Work in Team

Analytical & Laboratory Skills

- HPLC, UV-Vis Spectrophotometry, GC
- TLC-Densitometry, IR Spectroscopy
- Physicochemical Analysis
- Basic Method Validation (Linearity, Accuracy, Precision)
- Analytical Data Interpretation
- In-Process Control Testing
- Sampling During Production
- Physical parameter testing (weight variation, hardness, friability – basic knowledge)

GMP & Documentation

- GMP / CPOB Compliance
- Batch Record Review (Basic Knowledge)
- Deviation & CAPA Awareness
- Audit Preparation Support
- Data Integrity Principles
- Environmental Monitoring Awareness
- Batch Record Documentation
