PROFESSIONAL SUMMARY

An Apothecary Candidate from Institut Teknologi Bandung (passed UKOMNAS PDPA 2026, awaiting oath in October 2026), with hands-on experience across pharmaceutical manufacturing, distribution, clinical, and community pharmacy settings. Familiar with analytical instrumentation, literature study, and technical documentation. I am detail-oriented and committed to delivering precise and reliable analytical data to support the development team.

PROFESSIONAL EXPERIENCES

Clinical Pharmacy Intern – Rumah Sakit Al Islam

Bandung | March 2026 – April 2026

- Evaluated procurement realization and the 2025 procurement plan, identifying gaps and areas for optimization to improve procurement efficiency
- Ensured full regulatory compliance by updating halal certification documents for raw and food-additive materials, supporting the hospital's halal assurance system
- Developed a performance evaluation form for pharmaceutical distributor partners to support procurement quality assurance and vendor accountability

Community Pharmacy Intern – Apotek Mutiara Hati

Bandung | February 2026

- Delivered pharmaceutical care services, including self-medication guidance, counseling, drug therapy monitoring, adverse drug reaction surveillance, and patient medication review, directly improving patient safety and medication adherence
- Managed inventory control through stock-opname activities, ensuring inventory accuracy and minimizing discrepancies

Pharmaceutical Distribution Intern – Anugrah Argon Medica

Bogor | January 2026

- Safeguarded procurement integrity by verifying the validity of purchase orders, preventing document fraud and ensuring full regulatory compliance
- Ensured accurate and timely reporting of psychotropic drug distribution to national regulatory authorities, maintaining zero compliance violations
- Maintained daily and weekly temperature monitoring for chiller and room storage units and produced structured reports that upheld good distribution practice standards

Quality Assurance Intern – PT Lucas Djaja

Bandung | November 2025

- Developed the Standard Operating Procedure for "On-Going Process Verification During Product Lifecycle" to enhance quality control and production assurance across the manufacturing process
- Assessed the safety profiles of all pharmaceutical ingredients used at PT Lucas Djaja, producing a priority list of substances requiring heightened attention to mitigate compliance risk
- Authored a technical paper on the toxicity of parabens and their derivatives, serving as a reference for QA and R&D departments to guide safer product reformulation decisions

Community Pharmacy Intern – Puskesmas Citeureup

Cimahi | October 2025

- Developed test instruments and delivered the "GeMa CerMat" program to 30 community health workers, achieving a 40% average score improvement in drug use topics
- Designed educational materials and conducted public health education sessions on medicinal plants "TOGA", hypertension, diabetes mellitus, and helminthiasis, improving community health literacy across multiple topics
- Supported the execution of the "Cek Kesehatan Gratis" program across 3 vocational school in Cimahi, contributing to early health screening for adolescents and expanding preventive health access

**Implementing Team Member of The Community Service Project “Pemberdayaan Masyarakat untuk Menekan Laju Penularan Penyakit Tuberkulosis di Desa Moodulio, Kecamatan Bone, Kabupaten Bone Bolango” – Direktorat Pengabdian Masyarakat dan Layanan Kepakaran Institut Teknologi Bandung
Gorontalo | May 2025 – August 2025**

- Developed an anti-tuberculosis drug consumption calendar as a practical adherence tool, helping tuberculosis patients to complete their full treatment courses of anti-tuberculosis therapy and reducing the risk of antibiotic resistance
- Designed educational materials on tuberculosis prevention and treatment, improving community awareness and understanding of tuberculosis transmission control

**Basic Pharmaceutical Laboratory Assistant – Laboratorium Farmasetika Institut Teknologi Bandung
Bandung | September 2024 – December 2024**

- Guided and supervised students throughout practical laboratory sessions, ensuring safe execution of procedures and fostering a deeper understanding of pharmaceuticals concepts
- Assessed students' assignments, lab journals and reports, providing constructive feedback for academic improvement

**Clinical Pharmacy Intern – Rumah Sakit Advent
Bandung | June 2024 – July 2024**

- Managed storage and inventory control of pharmaceuticals, medical devices, and consumable medical supplies, maintaining product quality and minimizing stock losses
- Dispensed high-volume daily prescriptions across outpatient, inpatient, BPJS, and emergency pharmacy units, maintaining speed and accuracy under clinical demand

ACADEMIC BACKGROUND

**Pharmacist Professional – Institut Teknologi Bandung
Bandung | 2025 – 2026 | 3.93**

**Bachelor of Pharmacy – Institut Teknologi Bandung
Bandung | 2021 – 2025 | 3.33**

ORGANIZATIONAL EXPERIENCES

“Pharmaceutical Leadership and Organizational Training” Medical Division Staff – HMF ‘Ars Praeparandi’ ITB

Bandung | July 2023 – September 2023

- Proactively monitored participants' health conditions, enabling early intervention and ensuring zero health incidents throughout the training program
- Managed and maintained adequate medicinal supply inventory to ensure all materials were available and ready for emergency use at all times

**“Aktualisasi Karakter dan Semangat Berkarya” Permits Division Staff – HMF ‘Ars Praeparandi’ ITB
Bandung | May 2023 – August 2023**

- Handled required permit documentation requirements necessary for the event to proceed in compliance with institutional regulations
- Coordinated with security personnel throughout the event to maintain a safe and orderly environment

**“Ars Election” Secretary – HMF ‘Ars Praeparandi’ ITB
Bandung | December 2022 – March 2023**

- Prepared all required documents for the organization's election committee activities, ensuring a structured, transparent, and procedurally valid organizational election
- Documented and archived all proceedings and outcomes from the “Ars Election” event for future reference
