A Pharmacy Professional graduate from the University of Indonesia with a strong foundation in pharmaceutical sciences. I am highly motivated to continuously develop my skills and expand my knowledge in the field of pharmacy. I have completed internships in various pharmaceutical institutions, including Kimia Farma Apotek, Raden Mattaheer Regional General Hospital, Persahabatan National Respiratory Referral Hospital, Puskesmas Duren Sawit, PT Guardian Pharmatama, and PT Enseval Putera Megatrading. Through these internship experiences, I gained valuable knowledge and practical insights into pharmaceutical services and operations in different healthcare and industry settings.
