WORK EXPERIENCE

Private Tutor (Freelance) **Sept 2025 - Present**

- Taught reading comprehension and mathematics through one-on-one and small group sessions.
- Adjusted explanations and activities based on each student's learning style and pace to help them understand concepts more confidently.
- Encouraged a positive and supportive learning environment to help students stay motivated and enjoy the learning process.

PT. Kimia Farma Plant Banjaran **April 2025 - May 2025**
QA Technical Supports Intern

- Assisted in monitoring packaging material usage, comparing theoretical calculations with actual consumption on production lines.
- Worked closely with production staff to observe workflow and understand equipment operation to better align theoretical data with real conditions.

Anugerah Argon Medica (AAM) Tangerang **Mar 2025**
Pharmacist Intern

- Assisted in maintaining inventory management, including organizing stock, applying FEFO/FIFO, and monitoring product conditions and expiration dates.
- Helped ensure Good Distribution Practice (CDOB) was followed, including cleanliness, temperature control, and handling of special-category products (human and animal vaccines).

Apotek Kimia Farma Plant Sulanjana **Feb 2025**
Pharmacist Intern

- Provided patient counseling regarding medication use, side effects, storage, and adherence to improve therapy outcomes and patient understanding.
- Conducted non-sterile compounding (including powders, ointments, and capsules) in accordance with standard procedures for accuracy, cleanliness, and product consistency.
- Performed prescription screening and dispensing, ensuring accurate dosage, dosage form, indication suitability, and minimizing potential interactions or medication errors.

Bandung Adventist Hospital **Dec 2024**
Pharmacist Intern

- Provided clinical pharmacy services ranging from patient counseling to drug dispensing, handling an average of 50 patients daily.
- Initiated a health campaign focused on the effects of excessive sugar consumption for chronic patients enrolled in BPJS.

Pharmacist Intern

- Assisted in dispensing medications and providing drug information to patients, managed drug inventory and ensured compliance with healthcare regulations.
- Educated the community on disease prevention and proper medication use by going to *Posyandu* and *Posbindu*.

Lembaga Farmasi Puskesmas Angkatan Darat (LAFI AD)

May 2023 - Jun 2023

QA, QC, Production Intern

- Assisted in QA and QC processes for paracetamol tablet production, ensuring compliance with GMP standards.
- Conducted quality testing, including weight uniformity, hardness, and dissolution tests, to maintain product consistency.
- Monitored manufacturing processes to ensure proper formulation, tablet compression, and packaging adherence to regulatory guidelines.

Pharmaceutical Botanical Pharmacy Laboratory Assistant

Aug 2022 - Dec 2022

Lab Assistant

- Assisted 7 students weekly in identifying and analyzing the anatomical and morphological characteristics of medicinal plants.
- Prepared and handled plant specimens for microscopic and macroscopic examination.
- Guided students in sectioning, staining, and observing plant tissues to study cellular structures and adaptations.

ORGANIZATIONAL EXPERIENCE

ITB Pharmaceutical Student's Association

May 2023 - April 2024

Deputy Head of International Pharmaceutical Students Federation (IPSF) Division

- Led and mentored 21 students in executing IPSF 3P (Public Health, Pharmacy Education, and Professional Development) projects, ensuring successful implementation of health campaigns and educational initiatives.
- Organized impactful events such as the World Pharmacist Day webinar, blood donation drives, and breast cancer awareness campaigns.
- Led public health outreach efforts, engaging communities through educational programs and advocacy for better healthcare practices.

Staff of Badan Pengurus Rumah Tangga (BPRT)

Jul 2022 - May 2023

- Managed the inventory system and rental process for HMF 'Ars Praeparandi' ITB facilities with clarity and transparency.
- Coordinated the borrowing, lending, and rental of organizational facilities to ensure efficient and accountable usage.
- Maintained a safe and comfortable secretariat space for HMF 'Ars Praeparandi' ITB members.
