SUMMARY

A dedicated pharmacist with experiences in production, quality assurance, and regulatory within the pharmaceutical industry. Proven ability to ensure GMP compliance and meticulous documentation. Leveraging exceptional communication and analytical skills to optimize technical operations.

PROFESSIONAL EXPERIENCE

Regulatory & Production Intern | PT. Kimia Farma Tbk. Sep - Nov 2024, Jakarta

- Ensured compliance with GMP and SOPs by conducting rigorous reviews of Batch Manufacturing Records (BMR) and executing line clearance validations for over 15 distinct products
- Successfully compiled and prepared export registration dossiers in the Common Technical Document (CTD) format, ensuring data integrity for regulatory submission.
- Managed and monitored the complete production workflow, from raw material weighing and intermediate processing to final primary and secondary packaging stages.
- Analyzed and improved operational efficiency by conducting detailed man-hour calculations for the secondary packaging process, covering a team of 42 personnel.

Regulatory & Quality Assurance Intern | PT. Rajawali Nusindo Jun - Jul 2024, Aceh

- Guaranteed product integrity by systematically monitoring, collecting, and analyzing temperature data for critical cold chain products and general warehouse storage.
- Optimized inventory control by performing stock opname and applying FEFO/FIFO principles, successfully preventing stockouts and minimizing waste.
- Identified key areas for quality system improvement by conducting a thorough gap analysis based on the latest CDOB (Good Distribution Practice) standards.
- Evaluated the implementation of CDAKB (Good Medical Device Distribution Practice) against current Indonesian Ministry of Health regulations, providing actionable recommendations.

LEADERSHIP & ADDITIONAL EXPERIENCE

Host & Announcer | Three FM Radio Oct 2022 - Present, Aceh

- Developed exceptional public speaking and communication skills by delivering live broadcasts, conducting professional interviews, and creating public service announcements for diverse clients.
- Collaborated with government and private sector organizations to successfully execute public awareness campaigns and promotional initiatives.

Vice President | Kejar Mimpi Aceh**Dec 2021 - 2023, Aceh**

- Forged strategic partnerships with government bodies, NGOs, and educational institutions to design and execute high-impact social and educational programs across the Aceh region.
- Led a cross-functional team to initiate and manage over 15 development programs, including workshops, webinars, and career readiness sessions for students and young professionals.
- Coordinated a multi-location community service initiative in remote areas, delivering health education and social support to local residents.

EDUCATION

- Apothecary | University of Syiah Kuala, 2025 (Cumulative GPA: 3.84/4.00)
