Licensed Pharmacist with experience in community pharmacy since July 2026 at Alpro Pharmacy. Skilled in patients counseling, inventory management, and pharmaceutical care. Committed to providing accurate drug information and excellent patient service in accordance with Good Pharmacy Practice standards. Fast learner, detail-oriented, and team player.

Work Experience

Staff Pharmacist | Alpro Pharmacy | July 2026 – Present

- Dispensed prescription and over-the-counter medications to 25+ patients daily with 100% accuracy and compliance to regulations.
- Provided professional pharmaceutical counseling regarding drug interactions, dosage, side effect, drug interactions, and proper usage to patients.
- Managed pharmacy inventory including stock procurement, stock opname, near-expiry monitoring, and coordination with Procurement team to prevent stockouts.

Quality Assurance Compliance Intern | PT. Kimia Farma Plant Banjaran | Sep 2024 – Nov 2024

- **Regulatory Documentation Support:** Assisted in compiling technical data for product registration and renewal to BPOM, including manufacturing process, specification, and stability data. Gained insight into the product approval lifecycle.
- **Audit Support:** Organized quality documentation for internal/external audits, ensuring full traceability and compliance readiness.

Hospital Pharmacy Intern | RSUD dr. Zainoel Abidin Banda Aceh | Jul 2024 – Sep 2024

- **Pharmacy Warehouse & Inventory:** Managed incoming/outcoming drug stock using FIFO/FEFO systems.
- **Cold Chain Management:** Monitoring and documented temperature for cold storage [2-8°C] for vaccines, biologics, and insulin. Reported temperature deviations to the supervising pharmacist immediately.
- **Distribution & Logistics:** Prepared and distributed medications to inpatient wards, ICU, and OR using unit dose and floor stock systems. Ensured timely and accurate delivery.

Community Pharmacy Intern | PT. Kimia Farma Apotek Medan | May 2024 – Jun 2024

- **Patient Counseling & KIE:** Provided counseling to 30+ patients/day on drug use, storage, and side effects to improve medication adherence.
- **Pharmacy Administration:** Manage stock opname and monitored drug expiry dates.

Puskesmas Pharmacy Intern | Puskesmas Teladan Medan | Apr 2024 – May 2024

- **Public Health Pharmacy:** Manage e-catalogue, LPLPO, and drug planning for 200+ patients/day under JKN program.
- **Regulatory Compliance:** Ensured compliance with Permenkes No. 72/2016 on Pharmaceutical Services in Puskesmas.

PBF Pharmacy Intern | PT. Antarmitra Sembada | Mar 2024 – Apr 2024

- **Implemented Good Distribution Practice:** Performed batch tracking and mock recall exercises within <24 hours as per SOP, manage cold chain products, verified regulatory documents, and supported warehouse management.

Pharmacology Laboratory Assistant | Fakultas Farmasi Universitas Sumatera Utara Medan | Sep 2021 – Jun 2023

- **Conducted Preclinical Testing:** Assisted in vivo experiments including analgesic, anti-inflammatory, and anti-diabetic activity tests using animal models [mice/rats] with 100% SOP compliance.
- **Managed Data & reporting:** Collected, tabulated, and analyzed experimental data using Microsoft Excel and SPSS. Prepared lab reports and practical module guides for 100+ students/semester.

Volunteer Experience

Community Service Volunteer | Program Pengabdian Masyarakat Mono Tahun Reguler 2022

- **Led Health Education on Beetroot utilization:** Delivered KIE to 50+ local farmers on the nutritional and health benefits of beetroot and trained residents to process raw beetroots into shelf-stable product, specially beetroot syrup and dodol to increase shelf life and market value.
- **Collaborated in a Multidisciplinary Team:** Coordinated with 10 team members to design, execute, and evaluate the program.
