

SUMMARY

Cum Laude pharmacy graduate with hands-on experience in **raw material assessment, supplier documentation review, and CDOB-compliant receiving and distribution** across pharmaceutical manufacturing and distribution internships. Skilled in **technical documentation, cross-functional coordination, and detail-driven compliance**, with a strong foundation for supporting accurate, compliant procurement processes. Eager to build a career in **pharmaceutical procurement** and contribute to efficient, quality-driven sourcing and supply operations.

CORE COMPETENCIES

- **Procurement & Supplier Coordination:** Raw Material/Supplier CoA Review, Vendor Documentation Assessment, CDOB/CDAKB-Compliant Receiving, Inventory Coordination
- **Compliance & Documentation:** Technical Documentation, Storage Qualification, Stock Reconciliation, Cross-Functional Coordination (Sales, Purchasing, QA/QC)
- **Quality & Supplier Compliance:** CAPA, Non-Conformance Investigation & Root Cause Analysis, Audit & Inspection Readiness, Qualification/Validation, IPC
- **Quality Systems & Regulatory:** Documentation Control, Complaint Handling & Product Return Monitoring, GMP/GDP Compliance, Regulatory Documentation & Product Documentation

INTERNSHIP EXPERIENCES

PT Pharos Indonesia | South Jakarta

Jan 2026 – Feb 2026

Pharmacy Professional Internship – New Product Development | [Internship Letter](#)

- Reviewed **7 raw material CoAs** across multiple NPD projects, evaluating supplier documentation and specification compliance to support procurement and material qualification.
- Investigated **out-of-range assay results** through incompatibility studies and root cause analysis across department to resolve deviations.
- Participated in **3 formulation trials under a Quality by Design (QbD) framework** and prepared Bulk Production Order (BPO) documentation for reformulation and scale-up activities.
- Gained exposure to **GMP-Compliant manufacturing controls** (IPC, dosage-form evaluation, and process validation) across the full development cycle.

PT Millennium Pharmacon International, Tbk | Medan

Nov 2025

Pharmacy Professional Internship

- Maintained **CDOB/CDAKB-compliant receiving, storage, and distribution** for 200+ pharmaceutical and healthcare products, ensuring accurate supply flow and documentation.
- Participated in **4 weekly internal audits** (stock opname, documentation review) to support end-to-end process verification and compliance.
- Assisted in **customer qualification** and **analyze 43 customer complaints**, product return monitoring, and **CAPA implementation** to resolve non-conformances and strengthen quality outcomes.
- Executed storage **qualification/validation** across 8 temperature data-logger points.
- Prepared **internal training** materials, pre-tests, post-tests for Precursor, Psychotropic, and OTC product handling.

UPTDK RSU Haji Medan PEMPROVSU | Medan

Apr 2026 - May 2026

Pharmacy Professional Internship – Clinical Pharmacist

- Supported hospital pharmacy operations and **quality assurance** in compliance with **SOPs, medication safety standards, and Ministry of Health Regulation No. 72/2016**.
- Participated in **pharmaceutical records, logistics and inventory control** across 6 pharmacy units.
- Reviewed and dispensed **~250 outpatient prescriptions** and performed aseptic compounding of cytotoxic preparations following established protocols.
- Delivered SOAP-based clinical case presentation for **~10 patients** daily, applying evidence-based guidelines to identify drug-related problems (DRPs).

Laboratory Assistant of Pharmacotherapy and Community Pharmacy

- Co-developed practical syllabi, assessment rubrics, and OSCE materials and coordinated examination requirements for **~200 students/semester** with lecturers and laboratory assistants.
- Supervised and guided students during practical sessions in dispensing, patient counseling, interprofessional communication, and clinical case discussions.

EDUCATION**Universitas Sumatera Utara | Medan**

2025 – 2026
