PT Medifarma Laboratories

Subject: Job Application – Purchasing Pharma Staff

Dear Recruitment Team of PT Medifarma Laboratories,

Through this letter, I would like to express my strong interest in applying for the Purchasing Pharma Staff position at PT Medifarma Laboratories. I am a registered Pharmacist and a Bachelor of Pharmacy graduate from Universitas Airlangga with practical experience in pharmaceutical administration, supply chain documentation, and regulatory compliance. This background provides a solid foundation to support and optimize your procurement process.

Currently, I work as a Pharmaceutical Administrator at PT Sarwa Manggalla Raya. I actively manage supply chain records and systematically archive essential purchasing documents, including Purchase Orders (PO) and Invoices. I monitor master data integrity daily and maintain complete documentation of vendor licensing to ensure all procurement partners comply with legal and regulatory standards. My daily responsibilities require sharp analytical skills, attention to detail, and effective coordination with internal teams to maintain seamless distribution operations.

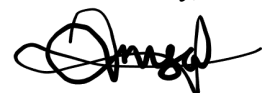

My previous professional pharmacy internships at PT Bayer Indonesia and PT Parit Padang Global further strengthen my qualifications. During my internship at PT Parit Padang Global, I daily verified and reconciled over fifty invoices with purchase orders to prevent supply chain errors. I also assisted in managing incoming and outgoing goods, stock inventory, and batch tracking. Additionally, my exposure to manufacturing operations at PT Bayer Indonesia gave me a clear understanding of pharmaceutical quality standards and raw material handling. These practical experiences enable me to source, evaluate, and collaborate effectively with suppliers for raw materials, packaging, and production support items.

I am proficient in Microsoft Office, particularly Microsoft Excel for data analysis and purchasing reports. I possess strong communication and negotiation skills, a professional command of English, and the ability to work under strict deadlines. I am excited about the opportunity to bring my precision, organizational skills, and pharmaceutical knowledge to the procurement team at PT Medifarma Laboratories.

I have attached my Curriculum Vitae and supporting documents for your review. I look forward to the opportunity to discuss my qualifications with you in an interview.

Thank you for your time and consideration.

Sincerely,

apt. Anisa Rakhmania Salam, S.Farm
