- GPA: 3.97/4.00 – Paragon Award Awardee
- Internships: PT. Meprofarm, PT. Anugrah Argon Medica, RSUD Bandung Kiwari, Puskesmas Karang Bahagia, and PT. Medika Antapani

Bachelor of Pharmacy, Institut Teknologi Bandung *Sep 2020 – Jul 2024*

- GPA: 3.49/4.00
- Internships: PT. Bio Farma (PERSERO)

INTERNSHIP EXPERIENCE

Industrial Pharmacy (PT. ROHTO Laboratories Indonesia) – West Bandung Regency, West Java, Indonesia

Quality Assurance Internship *Nov 2025- Mar 2026*

- Applied Good Documentation Practice (GDP) by preparing Medical Device Master File (DMF) documentation for medical device products
- Prepared regulatory documentation for new and variation registrations for domestic and export markets
- Coordinated biocompatibility evaluation activities based on ISO 10993 and ISO 11979 standards and prepared evaluation reports
- Supported CAPA and Change Control activities related to audit findings, deviations, and product complaints
- Handled product complaints for medical devices, including investigation, root cause analysis, and report preparation

Pharmaceutical Distribution (PT. Anugrah Argon Medica) – Bandung, West Java, Indonesia

Pharmacist Internship *May 2025*

- Investigated out-of-specification temperature conditions, performed root cause analysis, and supported CAPA preparation with preceptor
- Monitored and documented inventory of approximately 50 pharmaceutical products, ensuring accuracy and compliance with quality standards
- Performed daily environmental monitoring, including temperature checks of 3 chillers and 1 cold room, to ensure storage compliance and operational reliability

Community Pharmacy (PT. Medika Antapani) – Bandung, West Java, Indonesia

Pharmacist Internship *Apr 2025*

- Conducted prescription review, dispensing, and patient counseling while maintaining compliance with pharmaceutical service standards

Hospital Pharmacy (RSUD Bandung Kiwari) – Bandung, West Java, Indonesia

Pharmacist Internship *Feb 2025 – Mar 2025*

- Rotated through pharmacy installation, drug warehouse, emergency unit, and operating room, gaining exposure to medication management and regulatory compliance standards
- Clinical skills learned: preliminary review on ± 30 prescriptions/day, ward visits for ± 150 patients, education services for ± 450 patients, drug therapy and adverse effect monitoring, drug interaction studies, and patient case studies, ensuring compliance with SOPs and standards

- Conducted research on TPN use and evaluated emergency trolley contents for compliance.

Industrial Pharmacy (PT. Meprofarm) – Bandung, West Java, Indonesia

Quality Assurance and Quality Control Internship

Nov 2024

- Completed QA training modules including CAPA and Change Control Management, gaining foundational knowledge in quality systems and compliance principles
- Conducted gap analysis on 10 Standard Operating Procedures (SOPs) against current regulations, reinforcing regulatory compliance and audit readiness
- Supported Change Control Management by revising 36 specifications and test method documents in line with pharmacopeial updates

Community Pharmacy (Puskesmas Karang Bahagia) – Bekasi, West Java, Indonesia

Pharmacist Internship

Oct 2024

- Trained on handling ±30–50 prescriptions/day, stock management of 100+ pharmaceutical products, patient counseling for ±40 patients, and conducting 2 community health education programs

Industrial Pharmacy (PT. Bio Farma (Persero)) – Bandung, West Java, Indonesia

Research and Development Internship

Jul 2023

- Conducted literature reviews (20+ scientific references) to support research strategies and regulatory alignment in product development
- Prepared internal summary posters, enhancing knowledge sharing and decision-making within the R&D team

LEADERSHIP EXPERIENCES

Executive Board of HMF ‘Ars Praeparandi’ Institut Teknologi Bandung

Head of Intracampus Division President

Apr 2023 – Apr 2024

- Led and supervised a team of 21 members in planning and executing organizational projects using structured workflows and performance tracking systems
- Coordinated 36 inter-organizational visits, collecting and analyzing feedback to improve collaboration efficiency and stakeholder engagement

International Pharmacy Students’ Congress (68th IPSF World Congress)

Deputy Head of Registration Division

Jul 2021 – Aug 2023

- Managed registration and logistics for 160 delegates from 30+ countries
- Oversaw data collection and verification, improving accuracy of participant records and coordination with multiple departments
- Maintained systematic documentation and reporting, supporting smooth workflow and regulatory-style record-keeping
