

ANNISA FATHIYA AHMAD

Apothecary

Tangerang, Indonesia | Phone: 081367411887 | Email: annisafa31@gmail.com

SUMMARY

Licensed pharmacist with pharmaceutical industry internship experience in GMP-regulated environments. Familiar with analytical laboratory techniques, pharmaceutical documentation, scientific literature review, and GMP/CPOB compliance. Detail-oriented and eager to contribute to analytical development through accurate data handling, methodical documentation, and continuous learning.

INTERNSHIP EXPERIENCE

PT ETHICA INDUSTRI FARMASI – Bekasi, Indonesia

Quality Management System Apothecary Intern (May 6 – June 28 2024)

- Supported the management and archiving of QA documentation, including change control, batch records, and related records.
- Assisted in administering CAPA documentation through the company's internal documentation system.
- Digitized and archived over 20 batch record documents to support documentation traceability and record management.
- Entered and updated training records for approximately 50 personnel using Microsoft Excel, including follow-up of undocumented remedial training records.
- Observed personnel training implementation to understand documentation, evaluation, and training record management in accordance with company procedures.
- Participated in gap analysis activities for around 80 evaluation points related to department systems/procedures.

PT MASIVA GUNA – Central Jakarta, Indonesia

Apothecary Intern (July 1 – 26 2024)

- Applied CDOB/GDP principles in medicine distribution and supply chain management.
- Studied and reported on quality management system implementation in pharmaceutical distribution.
- Assisted in stock control and packaging accuracy to support compliance and patient safety.

PUSKESMAS KECAMATAN KALIDERES – West Jakarta, Indonesia

Apothecary Intern (March 18 – April 1 2024)
