LinkedIn : Muhamad Abdulloh Umar ([LINK](#))

I am Muhamad Abdulloh Umar, pharmacist graduated from University of Wahid Hasyim, who is self-development oriented and interested in studying the pharmaceutical industry, including manufacture and distribution. Also, a person who has experience in leadership, sociable, able to work well in team, hardworking, responsible for the mandate he is carrying out, and enthusiastic about learning new things. Organizational and social experience gave me good critical thinking, public speaking and time management skills. I am highly motivated to pursue a career in the pharmaceutical industry.
