## PROFILE

Licensed Pharmacist graduated from University Muhammadiyah Surakarta and Bachelor Pharmacy from Diponegoro University, actively involved in both academic and non-academic activities. Internship experience including pharmaceutical industry, hospital, pharmaceutical distribution, community health center (puskesmas), and community pharmacy (apotek). Over the course of experience, i have a track record in herbal pharmaceutical compound, pharmaceutical information, microbiology analysis, laboratory skills, documents management, and product development.

I am looking for a opportunity to contribute more in the field of pharmaceutical industry. I'm known for my problem-solving mindset, adaptability, and dedication to continuous personal and professional growth.
