Depok, Jawa Barat

EXECUTIVE SUMMARY

Detail-oriented Fresh Graduate Licensed Pharmacist from Universitas Indonesia with a strong interest in quality systems, GMP/CPOB compliance, and documentation control. Hands-on foundation in quality systems development (SOP transition and root-cause frameworks at Forsta Kalmedic Ltd., cold chain qualification and GDP/CDOB validation at Global Chemindo Ltd.), backed by structured analytical training (ICH Q2(R1)) and team leadership experience. Combines regulatory knowledge with structured documentation and process standardization, aiming to strengthen quality systems design and audit readiness in a Quality Systems role.

EDUCATION LEVEL

Universitas Indonesia | Depok, Indonesia

Apothecary Profession Program (Cumulative GPA 3.83/4.00) Aug 2025–Aug 2026

Pursuing professional licensure (Apoteker), with hands-on training in GMP/CPOB systems, analytical method validation (ICH Q2(R1)), and quality compliance coordination (cold chain qualification, GDP/CDOB, root-cause analysis). Brings structured documentation and cross-functional project execution (URS development, installation planning) to support audit readiness and compliance trend monitoring.

Bachelor of Pharmacy (Cumulative GPA 3.33/4.00) Sept 2021–Jul 2025

- **Final Project** : Validated GC-MS QToF methods for methamphetamine, MDMA, and dronabinol under ICH Q2(R1) protocols precision and documentation rigor that translates to data driven product decision making.
- **Honors and Awards**: "Chong Kun Dang Scholarship Recipient, awarded for the Bachelor's and Apothecary Program, 2022–2026".
- **Relevant Coursework**: Pharmaceutical Technology & Manufacturing, Quality Management & GMP/CPOB Systems, Equipment/Facility Qualification & Technology Transfer.

PROFESSIONAL EXPERIENCE

Global Chemindo Megatrading Ltd. (Kalbe Group) | Cikarang, Indonesia Jan–Feb 2026

Quality Assurance Intern

- Led cold chain qualification and temperature mapping across 3+ distribution points, achieving 100% GDP/CDOB compliance.
- Built GMP training materials for 50+ staff, contributing to zero major findings across vendor audits.
- Identified 5+ quality deviations ahead of a major audit through on-site inspections, documenting findings via CAPA forms to support timely corrective and preventive action.
- Developed protocol and validation report for a 3-day transportation qualification study (Bintang Toedjoe, East Jakarta to Cikarang), ensuring product integrity and GDP compliance during transit.

Forsta Kalmedic Global Ltd. (Kalbe Group) | East Jakarta, Indonesia Nov–Des 2025

Production Intern

- Led documentation transition of 12 SOPs from ISO 13485 to EN-ISO 13485, ensuring cross-functional compliance alignment.
- Built production competency frameworks across 6 lines (suture, agar-broth media, dialyzer, mobile x-ray, CT scan, endoscopy, PACS), supporting workforce readiness.
- Drove capacity expansion for the dialyzer line across 5 stations.
- Developed a structured Quality Defect Cause Troubleshoot framework across 8 stations, strengthening root cause analysis capability.
- Coordinated EtO sterilization validation for critical equipment.

Berita Satu Holdings | PIK 2, North Jakarta, Indonesia

Aug-Oct 2025

Search Engine Optimization (SEO) News Writer Intern

- Produced 5+ daily articles, optimizing keywords/metadata for search visibility reflecting a data driven, consumer focused content approach.
- Supported rapid publishing on trending topics, driving audience traffic and engagement.

Laboratory Pharmaceutical Assistant |Depok, Indonesia

Aug 2023-May 2025

Physicochemistry, Physical Pharmacy, Microbiology Laboratory Assistant

- Managed lab material and equipment readiness across 4 modules, standardizing processes for 100+ students per cycle.
- Conducted structured post-session evaluations, contributing to an 85% improvement in student performance.

ORGANIZATIONAL EXPERIENCE

Pharmacy UI Student Representative Board (BPM FF UI) |Depok, Indonesia

Feb 2024-Jan 2025
