

apt. RENITA DEWI, S.Farm

Pharmacist | Manufacturing Technical Unit | Research & Development

Cibinong, Bogor, Jawa Barat | 085817877310 | renitadewi43@gmail.com

PROFESSIONAL SUMMARY

Pharmacist with 6+ years of experience in pharmaceutical manufacturing technical services, product development, reformulation, technology transfer, packaging and raw-material development, stability testing, process validation, and regulatory documentation. Experienced in cross-functional coordination across Manufacturing Technical Unit, QC, QA, PPIC, Production, and Registration teams. Detail-oriented, adaptable, and able to manage multiple projects in a fast-paced environment.

PROFESSIONAL EXPERIENCE

PT Darya-Varia Laboratoria Tbk – Citeureup Plant | Manufacturing Technical Unit Supervisor | Jan 2024 – Present

- Lead projects involving reformulation of existing products, product technology transfer, and alternate-source development for packaging and raw materials, including BE and supplement solid products, sterile liquid injections, and cephalosporine dry injections.

PT Darya-Varia Laboratoria Tbk – Citeureup Plant | Manufacturing Technical Unit Pharmacist | Sep 2019 – Jan 2024

- Executed projects involving reformulation of existing products, technology transfer, and alternate-source development for packaging and raw materials.
- Conducted pilot and commercial batch trials in the production area.
- Led stability testing and process validation related to product development.
- Reviewed halal and quality documents for raw and packaging materials.
- Prepared qualification documents for new raw- and packaging-material suppliers.
- Prepared dossier and registration documents in accordance with regulatory requirements.
- Prepared quality risk assessments, quality deviation reports, and CAPA documentation.
- Coordinated meetings across MTU, QC, QA, PPIC, Production, and Registration departments.

PT Medifarma Laboratories | Quality Assurance Intern | Mar 2019 – Apr 2019

- Prepared Annual Product Quality Review (APQR) reports and improved reporting using statistical analysis with Minitab.

Apotek Kimia Farma, Depok | Apothecary Intern | Jan 2019

- Reviewed prescriptions, dispensed medicines, and provided medication-use information to patients.

EDUCATION
