Fresh graduate pharmacist with strong interest in pharmaceutical industry, particularly in formulation development. Experienced in formulation research, preformulation studies, and analytical evaluation. Detail-oriented, fast learner, and highly committed with strong problem-solving and research teamwork skills, seeking to contribute to Research and Development activities in dynamic pharmaceutical environment.

Work Experiences

RSUD Dr. Moewardi - Surakarta, Jawa Tengah

Oct 2025 - Nov 2025

Internship

- Performed prescription services including dispensing, compounding, counseling, and medication handover.
- Learned and applied hospital service systems, accreditation standards, and quality performance indicators.
- Conducted medication therapy monitoring (MTM) and completed clinical pharmacy case studies.
- Assisted in evaluating hospital pharmacy service quality to ensure compliance with hospital's Minimum Service Requirements.

PT Zenith Pharmaceuticals - Semarang, Jawa Tengah

Aug 2025 - Sep 2025

Quality Control Intern

- Supported projects related to analytical method and work instruction document updates.
- Assisted in sample preparation for testing of finished products.
- Performed test result trend analyses for raw material assays.
- Performed instrument utilization reports to optimize laboratory resource planning and update internal documentation.

PT Kimia Farma Trading & Distribution - Surakarta, Jawa Tengah

Jun 2025

Internship

- Supported warehouse operations including FIFO/FEFO stock management, receiving, and inventory checks.
- Assisted in handling narcotics and psychotropics according to regulatory requirements.
- Gained understanding of pharmaceutical distribution systems and regulatory requirements, including cold chain and controlled products.

Puskesmas Kraton - Yogyakarta, DIY

May 2025 - Jun 2025

Internship

- Performed primary care pharmacy services including dispensing, compounding, counseling, and medication preparation.
- Conducted medication use evaluation, prescription screening, and basic clinical pharmacy case reviews.
- Supported drug inventory management, FEFO/stock control, and logistic processes.
- Participated in public health programs and learned about primary health care service flow and regulations.

Apotek Ramadhan - Yogyakarta, DIY

Apr 2025 - May 2025

Internship

- Performed dispensing, counseling, and medication preparation in accordance with pharmaceutical care standards.
- Identified drug-related problems and supported basic clinical pharmacy case handling.
- Conducted Home Pharmacy Care (HPC) and provided patient-centered drug information.
- Managed logistics processes including procurement planning, inventory control, FIFO/FEFO application, and stock opname.

Faculty of Pharmacy, Universitas Gadjah Mada - Yogyakarta, DIY

Jan 2024 - Aug 2024

Laboratory Assistant - Formulation & Technology of Liquid-Semi Solid Dosage Forms

- Supervised and guided formulation laboratory activities for liquid and semi-solid dosage forms to ensure correct procedures and safety compliance
- Provided formulation troubleshooting support for issues related to processing, homogeneity, and viscosity
- Evaluated formulation results and procedural accuracy, including performance assessment and grading

Education Level

Universitas Gadjah Mada - Yogyakarta, Indonesia

Aug 2021 - Jan 2025

Bachelor of Pharmacy, 3.81/4.00

- Bachelor Thesis - Formulation and Evaluation of Sunscreen Lotion Using Natural Oils : Optimized a sunscreen lotion formulation containing sunflower and grape seed oils using Simplex Lattice Design (Design Expert v13). Evaluated key physical parameters (viscosity, pH, adhesivity, spreadability) and performed stability assessment through cycling tests and ANOVA-based analysis (Minitab v22). Identified optimal polymer concentrations (1% Na-CMC and 1% HPMC) and achieved SPF values of 11.72 and 27.07,

demonstrating the potential of natural oils as effective UV-protective ingredients.

Universitas Gadjah Mada - Yogyakarta, Indonesia

Feb 2025 - Apr 2026

Pharmacist Program, 3.86/4.00

Organization Experiences

ISPE DIY-Jateng Student Chapter - Yogyakarta - Jawa Tengah

Jun 2022 - Jun 2024
