- Manages (planning, procurement, and receipt, recording, and reporting) pharmaceutical supplies in the pharmacy based on the established inventory management plan.
- Stores medications in the pharmacy based on product characteristics in accordance with applicable regulations.
- Prepared recapitulation of drug utilization for periodic reporting and inventory documentation in compliance with regulatory requirements.

Puskesmas Tamalanrea

Pharmacist Intern

May 2025

- Providing Drug Information Services (PIO), Drug Therapy Monitoring (PTO), and Drug Side Effect Monitoring (MESO) for Tuberculosis (TB) patients, as well as providing counseling.
- Performing pharmaceutical service aspects such as receiving prescriptions, reviewing prescriptions, preparing medications, and providing prescription drug information.
- Counseling.
- Calculation of Usage Reports and Drug Request Sheets (LPLPO), as well as Drug Needs Plans (RKO).
- Storage, distribution, and stock control (Stock OpenName) of pharmaceutical preparations and outgoing BMHP.

RSUD Andi Makkasau*Pharmacist Intern*

April 2025 – May 2025

- Monitors drug side effects and reports them according to pharmacovigilance procedures.
- Involved in medication stock management, recording, planning, ordering, and ensuring the availability and accuracy of medications according to service needs.
- Performed ward rounds, monitored drug therapy, and actively participated in interprofessional collaboration practices to improve service quality and patient recovery outcomes.

PT Pharma Indo Sukses*Pharmacist Intern*

January 2025 – February 2025

- Preparing medications for distribution correctly according to the order form.
- Evaluating the conformity of invoices to customer orders.
- Storing, evaluating, and controlling medications stored in the warehouse (must meet the criteria, dosage form, packaging, and stability of each medication).
- Inspecting and recording recalled medications, including expired medications, medications with pharmacological issues, medications with altered packaging, counterfeit medications, etc.

PT Mersifarma Tirmaku Mercusana*Pharmacist Intern*

October 2024 – November 2024

- Directly involved in validation, qualification and calibration activities, as well as Good Manufacturing Practices (GMP)
- Directly involved in the sampling process for cleaning and process validation activities.
- Observed several production processes in both sterile and non-sterile units.
- Worked on a project to observe the Quality Control Process Chart (QCPC).
- Worked on the Water Trend Analysis for Purified Water Installation Unit 6A and the Water for Injection (WFI) Trend Analysis.

Apotek Aveola Care*Pharmacist Intern*

September 2024 – October 2024

- Provided patient counseling on the appropriate use of over-the-counter (OTC) and limited free medicines according to individual needs.
- Dispenses medications and provides information related to the medication (indications, side effects, usage instructions, and storage).
- Manages (planning, procurement, and receipt, recording, and reporting) pharmaceutical supplies in the pharmacy based on the established inventory management plan.
- Receives medications at the pharmacy based on purchase orders and invoices.
- Stores medications in the pharmacy based on product characteristics in accordance with applicable regulations.
- Prepared recapitulation of drug utilization for periodic reporting and inventory documentation in compliance with regulatory requirements.

RS EMC Alam Sutra

Pharmacist Assistant

May 2022 – July 2022

- Checking the stock of medicines and medical devices in hospital pharmacy logistics data with available stock,
- Register pharmaceutical supplies (medical devices and medicines) for ordering,
- Checking new medicines and medical devices with invoices based on batch and expiration date,
- Storage and arrangement of drugs and medical devices,
- Prepare floor stock according to the goods request form,
- Prepare drugs based on a doctor's prescription, both prescription and non-prescription,
- Doing recipe data collection and archiving recipes.

EDUCATION

Hasanuddin University, Makassar

Pharmacist professional education - GPA 3.88 (Cumlaude)

August 2024 – July 2025

Pelita Harapan University, Tangerang Banten

Bachelor Degree in Pharmacy
