<https://www.linkedin.com/in/joycelyn-l-033064210/>

A dedicated pharmacist candidate with a strong interest in pharmaceutical formulation, analytical method development, and quality assurance within the pharmaceutical industry. Experienced through an internship in a pharmaceutical manufacturing company, which strengthened my interest in managing documentation and processes that support drug quality in collaboration with other team members. Committed to continuous learning and contributing to high-standard pharmaceutical manufacturing.

Work Experience

KUMON AUSTRALIA & NEW ZEALAND

Mount Hawthorn, Western Australia

Remote Teaching Assistant

Sep 2024 – Present

- Performed digital marking of student assignments with accuracy and consistency
- Managed homework preparation and ensured timely submission of materials
- Coordinated remotely with local staff to support instructional operations and student progress tracking

CENGKARENG REGIONAL GENERAL HOSPITAL

Jakarta, Indonesia

Pharmacy Intern

Sep 2025 – Oct 2025

- Participated in inpatient ward rounds to monitor ongoing pharmacotherapy and identify medication-related problems in patients with diabetes and multiple comorbidities.
- Performed outpatient and inpatient dispensing, including prescription assessment, verification, and patient counseling on proper medication use.
- Assisted pharmacists in drug procurement, storage management, distribution, and inventory control according to hospital pharmacy standards.

PT GLOBAL ONKOLAB FARMA

Jakarta, Indonesia

Pharmaceutical Industry Intern – Quality Assurance Division

Jul 2025 – Aug 2025

- Drafted Standard Operating Procedures (SOPs) for pharmaceutical HVAC system design based on gap analysis findings.
- Added detailed process flow to the clean validation protocol for weighing spoons, ensuring compliance with validation requirements.
- Updated parameters and sampling points for the HVAC Performance Qualification (PQ) and the PQ protocol for the distiller machine and Water for Injection (WFI) looping system.

PT KIMIA FARMA TRADING & DISTRIBUTION (KFTD)

Jakarta, Indonesia

Warehouse Intern

Jun 2025 – Jul 2025

- Analyzed return product data from branch offices to central warehouse, including classification of causes and return frequency.
- Compiled Stock Transfer Order (STO) documents from branches and validated inbound/outbound product movement.
- Conducted periodic stock opname and assisted in preparing pharmaceutical product distribution to branch warehouses in accordance with Good Distribution Practices (CDOB).

APOTEK ROXY BIAK

Jakarta, Indonesia

Pharmacy Intern

May 2025 – Jun 2025

- Assisted in drug planning and procurement using consumption-based methods and Pareto ABC analysis.
- Provided clinical pharmacy services to patients, including prescription screening and patient counseling.

- Conducted periodic stock opname and retrieved medicines according to storage layout and inventory system.

CENGKARENG COMMUNITY HEALTH CENTER

Jakarta, Indonesia

Pharmacy Intern

Aug 2025

- Assisted in managing pharmaceutical supplies, including stock opname, inventory retrieval, vaccine cold chain handling, and medicine distribution to public housing (rusunawa) as part of outreach services.
- Participated in clinical pharmacy services by reviewing and dispensing up to 500 prescriptions daily, providing drug information, and compounding powder medications.
- Delivered community education on HIV/AIDS prevention during a health promotion event as part of the center's public health initiative.

ATMA JAYA CATHOLIC UNIVERSITY OF INDONESIA

Jakarta, Indonesia

Peer Tutor – Analysis of Drugs, Food, and Cosmetics

Feb 2024 – Jul 2024

- Assisted in guiding students during laboratory practical sessions focused on regulations, sample matrices, and analytical methods for drugs, food, and cosmetics.
- Operated basic analytical instruments and supported the preparation of reagents, samples, and tools for practical use.
- Reviewed and provided feedback on students' final reports to ensure accuracy in data interpretation and adherence to scientific standards.

ATMA JAYA CATHOLIC UNIVERSITY OF INDONESIA

Jakarta, Indonesia

Peer Tutor – Biopharmaceutics and Pharmacokinetics

Aug 2023 – Dec 2023

- Supervised students during practical sessions on dissolution testing, in vitro/in situ and transdermal permeation, and pharmacokinetic studies using blood and urine data.
- Checked and graded pre-test and post-test assessments to support students' understanding of key concepts.
- Reviewed final lab reports and provided feedback to improve scientific accuracy and presentation.

PT PHAROS INDONESIA

Tangerang, Indonesia

Pharmaceutical Industry Intern – Quality Assurance Division

Jul 2023 – Aug 2023

- Focused on calibration, qualification, and cleaning validation processes under the Quality Assurance department, while gaining exposure to Quality Control and Production units.
- Completed a special project involving cleaning validation, including calculations of RPN (Risk Priority Number), MACO values (via ppm, therapeutic dose, and LD₅₀ approaches), and surface residue limits.
- Applied risk assessment and validation techniques to ensure compliance with GMP standards in pharmaceutical manufacturing.

Education

UNIVERSITAS INDONESIA

Depok, Indonesia

Professional Degree in Pharmacy (Apothecary Program)

Jan 2025 – Present

ATMA JAYA CATHOLIC UNIVERSITY OF INDONESIA

Jakarta, Indonesia

Bachelor of Pharmacy GPA: 3.85/4.00

Sep 2020 – Aug 2024
