Gresik, East Java | Phone: +62 813 3010 2418 | Email: salsabilahaf01@gmail.com

LinkedIn: www.linkedin.com/in/salsabilah-aida-fitri

PROFILE

Licensed Pharmacist with one year of pharmaceutical industry experience as a Product Support Pharmacist and hands-on Quality Assurance experience gained through pharmaceutical manufacturing internship. Experienced in regulatory documentation, document control, scientific literature review, and cross-functional project coordination, with contributions to quality-related documentation and pharmaceutical compliance. Detail-oriented with strong analytical and communication skills, committed to continuous improvement and quality standards.

WORK EXPERIENCE

PT. Sahabat Lingkungan Hidup (SLH-Labs) (Surabaya, Indonesia)

Product Support Pharmacist

May 2025 – May 2026

- Prepared scientific product information and educational materials for product training and presentation to healthcare professionals, and delivered training sessions to medical representatives
- Supported product status enhancement projects through regulatory requirement review, documentation preparation, and coordination with regulators and cross-functional teams
- Supported clinical trial planning by conducting regulatory research, reviewing international guidelines, preparing project documentation, and facilitating initial coordination with potential partners
- Reviewed SOPs and related documents for compliance with applicable pharmaceutical regulations and recommended documentation improvement
- Reviewed product complaint and return reports for completeness and proper documentation
- Prepared patient case reports and reviewed supporting clinical data to support product evaluation and clinical documentation

PT. Balatif Herbal Division (Malang, Indonesia)

Quality Assurance Intern

Jan 2024 – Feb 2024

- Contributed to Product Quality Review (PQR) preparation, including Process Capability Index (CPk) calculation and product trend analysis
- Contributed to the batch release process for 20+ products by reviewing batch records, QC test results, and finished product conformity prior to QA approval
- Assisted in document control activities, including controlled document distribution, retrieval of obsolete documents, and archival management
- Assisted in deviation handling and product complaint documentation through data reconciliation and report preparation
- Participated in equipment calibration, data processing, audit document revision, and environmental monitoring of production areas

Malang City Health Office and Pharmacy Installation (Malang, Indonesia)

Pharmacy Intern

Mar 2024

- Prepared medicines, vaccines, and medical consumables for distribution to healthcare facilities in accordance with LPLPO requirements
- Performed SIPNAP reporting and managed narcotics and psychotropic drug reports in compliance with regulations
- Supported vaccine distribution activities and COVID-19 booster vaccination programs
- Monitored storage temperatures for vaccines and pharmaceutical products

PT. Penta Valent Pharmaceutical Distributor (Malang, Indonesia)

Pharmacy Intern

May 2024

- Participated in the implementation of CDOB within pharmaceutical distribution processes
- Performed receiving, storage, and distribution activities in compliance with quality standards and regulations
- Verified stock accuracy through inventory reconciliation and stock-taking activities
- Conducted case analyses and prepared Corrective and Preventive Actions (CAPA) as follow-up to deviations

Universitas Brawijaya (Malang, Indonesia)

Teaching Assistant

Aug – Dec 2022

- Assisted lecturers in conducting pharmacognosy laboratory sessions
- Guided 5–7 students per group in conducting laboratory activities and understanding practical materials
- Compiled and managed practical and examination results
