ABOUT

A Pharmacist Professional graduate from Andalas University with hands-on experience in pharmaceutical industry and research laboratory settings. Committed to maintaining and delivering up-to-date knowledge in the ever-evolving fields of pharmacy encompassing latest scientific evidence, regulatory legislation, pharmaceutical quality system, Good Manufacturing Practice (CPOB), supported by GMP and CAPA Root Cause Analysis training. Actively involved in preparing regulatory dossier for approximately 25 products and conducting variation mapping for more than 35 products in compliance with BPOM standards, working closely with production and QA/QC teams to maintain accurate documentation, ensure compliance, and verify quality data. Supported by a strong research background in bioactive compound analysis and scientific data processing, applying a systematic, detail-oriented, and critical thinking approach to analytical evaluation, validation activities, and stability documentation. Possess strong interpersonal skills with the ability to coordinate teams effectively and communicate clearly across functions. Known for being detail-oriented, reliable, and applying critical thinking to solve problems, with experience in international organizations that strengthened collaboration with diverse internal and external stakeholders. Eager to take on new challenges and contribute to a forward-thinking organization.

EDUCATION

Apothecary Professional Degree, Andalas University

Aug 2024 –
Aug 2025

- GPA: 3.96/4.00 (Cum Laude)
- Internships: Puskesmas Andalas, Apotek Klinik Amanah Yarsi, PBF PT. Panay Farmalab, RS dr. AK Gani, Regulatory Affairs (Quality Assurance) PT. Pertiwi Agung (Landson).

Bachelor of Pharmacy, Andalas University

Sep 2020 –
Jul 2024

- GPA: 3.60/4.00 (Cum Laude)
- Awards: Bintang Aktivistis Kampus (graduate honors for student with great leadership and organization involvement during college).
- Final Project Research : Profile of Compounds with Potential as Inhibitors of Alpha-Glucosidase and Alpha-Amylase Enzymes in Rice (*Oryza sativa* L.) Processed with a Rice Milling Unit (Pharmaceutical Biology).

WORK EXPERIENCES

Regulatory Affairs Intern - PT. Pertiwi Agung (Landson)

Mar 2025 –
May 2025

Bekasi, Indonesia

- Successfully prepared regulatory dossiers **for ±25 products in accordance with BPOM requirements**, ensuring completeness of administrative and technical documentation.
- Conducted mapping and regulatory variation reviews for **35+ products** to support monitoring of registration status, document changes, and submission readiness.
- Regularly coordinated with **QA/QC teams (±3–5 personnel)** during document verification processes, quality data adjustments, and alignment with **GMP and GDP standards**.
- Managed and updated daily product databases to support workflow efficiency within the Regulatory Affairs division and minimize documentation errors.

Clinical Pharmacist Intern - dr. AK Gani Hospital

Jan 2025 –
Mar 2025

Palembang, Indonesia

- Provided Drug Information Services (PIO) and patient counseling to **±100 outpatients per shift**, including explanations of dosage, administration instructions, side effects, and potential drug interactions.
- Conducted therapy regimen reviews to support rational and safe medication use, ensuring alignment with hospital clinical guidelines.
- Prepared and updated **progress notes for ±30 patients per shift** using digital documentation systems to support continuity of care and interprofessional communication.
- Managed drug and medical device stock through systematic recording, including availability and expiry monitoring for clinical service units.
- Collaborated with medical staff and pharmacy staff to maintain compliance with pharmaceutical service SOPs and patient safety standards.

Pharmacist Intern - PT. Panay Farmalab

Nov 2024 –
Dec 2024

Padang, Indonesia

- Applied **Good Distribution Practices (CDOB)** and **Good Distribution Practices for Medical Devices (CDAKB)** principles in quality supervision and distribution compliance for a portfolio of **±400 products**, including cosmetics, pharmaceuticals, supplements, and medical devices.

- Supported distribution documentation review, storage, and logistics processes to ensure compliance with regulatory and company operational standards.
- Managed inventory systems and stock recording by processing an average of **±40 orders per shift**, including quantity verification and shipment document completeness
- Assisted coordination between warehouse and administrative teams to ensure smooth product distribution to customers.

Research Assistant – Sumatran Biota Laboratory
Padang, Indonesia

Aug 2022 – Aug 2024

- Conducted scientific literature reviews and managed research data related to bioactive compounds and functional food development using a *food as medicine* approach.
- Operated and optimized analytical instruments including **UV-Vis, FTIR, HPLC, and LC–MS**, adjusting experimental parameters to meet research objectives.
- Processed and analyzed laboratory research data to support scientific manuscript and report preparation.
- Contributed as **first author** in the preparation of a scientific review manuscript intended for submission to an internationally indexed Scopus journal.
- Presented undergraduate research results at an international seminar with cross-institutional academic audiences.

COURSE AND TRAINING	
Career Exploration Program – Regulatory Compliance Assistant Manager , by Latih.	Feb 2026
CAPA and Root Analysis in Pharmaceutical Industry Batch 05 , by Makin Ahli.	Feb 2026
Good Manufacturing Practice (CPOB) Training , by Makin Ahli.	Nov 2025

ORGANIZATION AND VOLUNTEERING EXPERIENCES

Pharmacist Volunteer – Free Medical Check Up and Treatment by RS dr. AK Gani Palembang

Oct 2025

- Supported the implementation of free medical check-ups and blood donation activities for **300+ participants**, collaborating with medical and healthcare teams.
- Assisted in patient education related to medication use and the role of pharmacists in community healthcare services.
- Supported drug and logistics management to ensure smooth execution of activities.

Internal Relation Staff - International Pharmaceutical Students Federation (IPSF)

Mar 2023 – Feb 2024

- Successfully executed 5 regional programs for pharmacy students across multiple countries, boosting audience engagement by 50% through active promotion and leading internal teams to successfully deliver hybrid (online and offline) programs.

General Treasurer- Student Executive Board, Andalas University

Jan 2023 – Jan 2024

- Managed a total organizational **budget of IDR 900 million** and oversaw financial operations for **50 programs**, ranging from internal to national-events with **up to 1000 participants**.
- Successfully enhanced **budget efficiency by 25%** compared to the previous period while supporting the **addition of three new programs**.
- Ensured transparent financial reporting, accurate documentation, and strict compliance with organizational financial policies.

External Relation Staff - Student Executive Board, Andalas University

Jan 2022 – Jan 2023
