Dear Hiring Manager,

I am pleased to submit my application for the **PPIC Manager** position at your company. With over 15 years of experience in FMCG and Cosmetics manufacturing, I specialize in transforming complex supply chain functions into high-efficiency, integrated engines that drive business growth and cost-savings.

In my current role as PPIC Manager at PT Techno Glow Innovation, I orchestrate end-to-end supply chain operations, including toll manufacturing and production planning, while ensuring 100% compliance with GMP and regulatory standards. My previous tenures at industry leaders such as PT Unicharm Indonesia and PT Kino Indonesia, Tbk. have sharpened my expertise in strategic procurement, demand planning, and warehouse management.

What sets me apart as an PPIC leader is my ability to align supply chain strategies with overarching business goals. With a unique dual background as a Licensed Pharmacist (Apt.) and a Master of Public Administration (M.AP.), I possess both the technical rigor for regulatory compliance with GMP and ISO standards and the strategic vision to lead large-scale organizational change. I am highly proficient in SAP (MM & PP Modules) and Odoo ERP, leveraging data-driven insights to maintain a 98% inventory accuracy rate and significantly reduce stock-out risks.

I am confident that my expertise in Operational Excellence, Lean Six Sigma, and digital transformation will make me a valuable asset to your team. Thank you for your time and consideration. If you need additional information, I would welcome the opportunity to further discuss how my background and strategic approach align with your company's long-term needs. Please feel free to contact me at +62 817 206 835 or via email at m.apriyansyah@gmail.com.

Best Regards,

Indra Muhamad Apriansyah, S.Farm., Apt., M.AP.
