SUMMARY

A motivated and detail-oriented pharmacy graduate with a strong interest in pharmaceutical Quality Control. Gained hands-on exposure to quality control activities during professional practice, including purified and potable water quality testing and data management, quality documentation, and quality monitoring. Familiar with Good Manufacturing Practices, pharmaceutical manufacturing processes, laboratory practices, and basic validation concepts. Strong in analytical thinking, data accuracy, attention to detail, and cross-functional collaboration, with a strong willingness to learn and contribute to maintaining consistent product quality.

EDUCATION

Universitas Sriwijaya, Chemical Engineering; GPA : 3,97

July 2021 – Feb 2025

Universitas Indonesia, Apothecary Program; GPA : 3,82

Aug 2025 – Oct 2026

Thesis : Optimization and Characterization of Hair Serum Extract of Red Onion Skin (*Allium cepa* L.) As An Antioxidant

ACHIEVEMENTS

Gold Medal – Youth International of Science Fair (YISF)

2024

Sribu: Bodycare Innovation from Self-Nanoemulsifying Gambir Leaf Extract Formulated in Body Butter as Antioxidant and Moisturizing Agent

Gold Medal – Jakarta International Science Fair (JISF)

2024

Gurneal: SNEDDS Gambier Leaf Extract Gel for Burn Wound Healing

Silver Medal – Indonesia International Invention Expo (IIE)

2024

Shalltra: Shallot Skin Extract Anti-Aging Serum with Transfersomes Nanotechnology

Awardee of PMW Universitas Sriwijaya

2024

Kelate : Kelor Chocolate White Tea

Bronze Medal – Indonesia Inventors Day (IID)

2023

Shalltra: Shallot Skin Extract Anti-Aging Serum with Transfersomes Nanotechnology

EXPERIENCES

Pharmacy Internship / PT Kalventis Sinergi Farma / Jan 2026 – Feb 2026

- Developed a **video-based learning improvement project** that reduced training duration by 67%, from 60 to 20 minutes per topic.
- Developed a **database-based document archiving system** and managed 4,500+ batch records to improve document retrieval and training management efficiency.
- Prepared **Quality Risk Management (QRM)** documentation and supported new vendor qualification through evaluation of supplier certifications, **OOS**, **OOT**, audit status, profiles, and quality documents.
- Monitored **CAPA** and **Change Control** documentation to ensure submission status and document completeness.
- Supported QC and production documentation, including examination records, batch record identification, labelling, traceability, packaging records, and controlled logbooks.
- Supported **Product Quality Review (PQR)** activities through compilation and entry of in-process control data.

Pharmacy Internship / PT Global Chemindo Megatrading / Nov 2025

- Conducted **temperature and humidity mapping** and trend analysis to assess GDP compliance.
- Prepared **distribution validation, deviation**, and **QRM** documentation.

- Managed warehouse and distribution **quality records**, including storage, vehicle, and supplier documentation.

Clinical Biochemistry Laboratory Assistant / Universitas Sriwijaya / Aug 2024 – Dec 2024

- Supported clinical biochemistry laboratory activities through sample preparation, biochemical analysis, data recording, and adherence to laboratory SOPs and quality practices.

ORGANIZATIONS

Himpunan Keluarga Mahasiswa Farmasi UNSRI | Head of Spiritual Department **Aug 2022 to Jan 2025**

- Led and coordinated division members in planning and executing organizational programs.
- Managed end-to-end preparation and execution of student development events, with approximately 180 total participants.
- Developed skills in leadership, project management, stakeholder coordination, and problem-solving through organizational activities.

SKILLS

- **Soft Skills:** Attention to Detail, Analytical Thinking, Adaptability, Good Communication
- **Hard Skills:** GMP/CPOB, Good Documentation Practice, Microsoft Office, Canva
