

VALENTINO GUNAWAN SURYO

Pharmacist

Banyuwangi, Indonesia | valentinogs205@gmail.com | [linkedin.com/in/valentinogs205](https://www.linkedin.com/in/valentinogs205)

SUMMARY

Registered Pharmacist (Apothecary graduate) from Jember University with hands-on laboratory expertise in chromatography and nanoparticle-based antimicrobial research. Proven research communication as a presenter at PHAC & ICMHS 2025 and demonstrated leadership as a student organization president. Possesses strong industrial CPOB/cGMP exposure and a commitment to ensuring high-quality, safe, and compliant pharmaceutical products that benefit society.

EXPERIENCE

Pharmacy Intern | PT. Kimia Farma, Tbk Plant Banjaran, Bandung Apr 2026 — May 2026

Supported quality assurance activities focused on system development, contributing to process improvement and documentation within the QA environment.

Pharmacy Intern | RSUD Blambangan, Banyuwangi Feb 2026 — Mar 2026

Provided pharmaceutical services across emergency, operating room, inpatient, and outpatient units, and participated in patient visits, drug therapy monitoring, medication side effect monitoring, and patient counseling.

Pharmacy Intern | RSUP Dr. Sardjito, Tawangmangu Jan 2026 — Jan 2026

Gained practical experience in medicinal plant processing, including handling freshly harvested plants, dispensing simplicia, and learning about medication side effect monitoring and drug therapy monitoring.

Pharmacy Intern | Apotek K-24 Bondowoso, Bondowoso Oct 2025 — Nov 2025

Delivered pharmacy services including prescription dispensing, self-medication counseling, and patient consultation to ensure safe and appropriate medicine use.

Pharmacy Intern | UPTD Puskesmas Patrang, Jember Oct 2025 — Oct 2025

Provided outpatient pharmacy services, participated in patient visits and clinical documentation, and supported health education and community health promotion activities.

Pharmacy Intern | PT. Millenium Pharmacon Internasional, Tbk, Malang Sep 2025 — Oct 2025

Assisted in order preparation, temperature monitoring, and administrative document preparation for buyers, ensuring smooth warehouse and distribution processes in compliance with operational procedures.

Presenter | The 4th Public Health on Agro-coastal Community Conference (PHAC) & The 5th International Conference on Medicine and Health Science (ICMHS), Jember University Sep 2025

Prepared and presented the study "Antibacterial Activity Test Of Single and Combined AgNPs from Sembung Leaves (*Blumea balsamifera*) Against *Staphylococcus aureus* and *Escherichia coli*" to an academic audience; responded to technical questions and engaged in methodological discussions.

Chromatography Analysis Lab Assistant | Jember University, Jember Feb 2025 — Jun 2025

Assisted in laboratory experiments, data analysis, and student guidance in using the chromatography instrument.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

President | Filadelfia Student Activity Unit for Catholic and Christian at the Faculty of Pharmacy, Jember University Jan 2024 — Dec 2024

Led annual program planning, facilitated internal and external communication, delegated tasks to staff, and supervised implementation of religious and community activities.

Head Staff, Music Division | ESSENSI Student Activity Unit for Art at the Faculty of Pharmacy, Jember University Jan 2023 — Dec 2023

Organized rehearsals, curated performance material, coordinated faculty event appearances, and mentored division members to improve musical skills.

Head of Committee — Interfaculty Easter Celebration | Filadelfia Student Activity Unit for Catholic and Christian May 2023

Planned and coordinated event logistics, programs, and participant relations; chaired committee meetings and ensured timely, smooth execution of the event.

Basic Leadership Training for Student Organizations | Jember University Jun 2023

Participated in modules covering event planning, task delegation, team communication, and conflict resolution; developed practical managerial skills for student committee work.
