

Apt. Nikita Aprilia Yuniardi, S.Farm.

Pharmacist | Pharmaceutical Quality Assurance & Quality System
+6289507939804 | nikitaaprilia260403@gmail.com | www.linkedin.com/in/nikitaay

PROFESSIONAL SUMMARY

Pharmacist graduate from Universitas Padjadjaran with hands-on experience in pharmaceutical Quality Assurance and Quality Management Systems. Experienced in reviewing approximately 150 Batch Production Records (BPR), preparing Product Quality Review (PQR), and supporting deviation, CAPA, change control, qualification, and validation activities. Familiar with GMP/CPOB requirements, quality documentation, quality risk assessment, and quality-related data evaluation. Strong in cross-functional collaboration and committed to supporting regulatory compliance and continuous quality improvement.

EDUCATION

Universitas Padjadjaran

Completed August 2026

Pharmacist Professional Program

Specialization: Quality Assurance (Pharmaceutical Industry) | IPK: 3.81/4.00

Universitas Lampung

August 2021 - January 2025

Bachelor of Pharmacy | Graduated in 3.4 years | IPK: 3.87/4.00

- Undergraduate Thesis: Study on Meloxicam Cocystal Formation: Strategies to Enhance Solubility and Dissolution Rate Using Succinic Acid Coformer through the Slurry Method
- Conducted experimental laboratory research involving cocystal preparation using the slurry method, sample preparation, and comparative evaluation at different molar ratios.
- Performed solubility and dissolution testing and characterized samples using relevant analytical techniques, including UV-Vis, DSC, SEM, XRD, and FTIR.

PROFESSIONAL EXPERIENCE

Pharmacist Professional Internship – PT Millennium Pharmacon International Tbk, Bandung Branch

April 2026 - May 2026

- Applied CDOB and CDAKB requirements across pharmaceutical and medical device distribution activities, ensuring compliance with established quality and distribution procedures.
- Monitored SOP implementation, storage conditions, FEFO practices, and distribution processes across receiving, storage, picking, packing, and dispatch activities.
- Reviewed and maintained quality and distribution documentation to ensure completeness, accuracy, traceability, and compliance with GDP requirements.
- Supported identification and follow-up of distribution discrepancies and corrective actions to maintain product quality and regulatory compliance.

Pharmacist Professional Internship – Kimia Farma Pharmacy Jatinangor

March 2026 - April 2026

- Performed prescription screening and assisted in medication dispensing under pharmacist supervision while ensuring accuracy and compliance with pharmacy service standards.
- Supported pharmaceutical and medical supply management, including storage, inventory control, and expiry monitoring.
- Maintained pharmacy documentation and supported regulatory compliance in daily pharmacy operations.
- Supported preparation of Program Rujuk Balik (PRB) documentation.

Pharmacist Professional Internship – PT Errita Pharma

January 2026 - March 2026

- Conducted a Product Quality Review (PQR) of Paracetamol Tablets for the 2025 production period, reviewing manufacturing, quality control, stability, deviation, complaint, and validation data to assess product quality consistency.
- Reviewed approximately 150 Batch Production Records (BPRs) for Paracetamol Tablets, as well as BPRs for Antacid Syrup, Ketoconazole Cream, and Amoxicillin Tablets, evaluating documentation completeness, accuracy, traceability, and CPOB compliance across multiple dosage forms.
- Prepared a Quality Risk Management report on the use of powdered gloves in the non-beta-lactam semi-solid production area without documented risk assessment, identifying potential quality risks and appropriate risk controls.
- Reviewed validation batch records for Etabion and participated in QA self-inspection, identifying a leaking WFI storage tank pipe and analyzing the corresponding CAPA for the identified finding.
- Analyzed raw material, analytical testing, and manufacturing data for Paracetamol Tablets using Minitab, evaluating process capability against the established Cpk criterion of >1.33.
- Collaborated with QA, QC, Production, Engineering, R&D, and other relevant departments in quality review, risk assessment, self-inspection, and corrective action activities to support CPOB compliance.

**Teaching Assistant – Pharmaceutics Laboratory Department of Pharmacy,
Universitas Lampung**

August 2022 – August 2024

- Assisted laboratory activities in accordance with established SOPs and procedures.
- Monitored practical activities to ensure accuracy, consistency, and compliance with laboratory procedures.
- Maintained laboratory records and supported proper documentation of practical activities.
- Ensured proper handling and use of pharmaceutical materials and laboratory equipment.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

HIMAFARSI Universitas Lampung

August 2023 – June 2024

Head of Human Resource and Organizational Development Department

- Led member development programs and organizational capacity-building initiatives.
- Coordinated training programs, mentoring activities, and organizational evaluations.

PHARMALATION

Sept 2023

Vice Chairperson of Organizing Committee I 2023

- Assisted the Chairperson in coordinating all event divisions.
- Ensured event implementation met established timelines and objectives.

LUNAR (Lampung University Medical Research)

August 2022 - June 2023

Head of Public Relations Division

- Managed external communications and partnership development.
- Developed promotional and publication strategies for organizational activities.

Makin Ahli | August 2026

SKILLS

Quality Management:

- Quality Management System (QMS), GMP/CPOB Compliance, Quality & Compliance Assessment, Quality Risk Assessment, Continuous Improvement

Quality & Documentation:

- Batch Production Record (BPR) Review, Product Quality Review (PQR), Deviation Management, CAPA, Change Control, Quality Documentation, Qualification & Validation, Quality Data Evaluation, Trend Analysis

Laboratory Instruments:

- Friability Tester, Dissolution Tester, pH Meter, UV-Visible Spectrophotometer, Fourier Transform Infrared (FTIR) Spectrometer, Analytical Balance

Software:

- Microsoft Excel, Microsoft Power Point, Microsoft Word, Minitab, Canva

Soft Skills:

- Analytical Thinking, Problem Solving, Attention to Detail, Communication, Teamwork, Time Management, Adaptability

Languages:

- Indonesian (Native); English (Intermediate – TKBI: 487)
