

FRESTY AULIA PUTRANTI

Jember, Indonesia | +6282231686414 | frestyauliap@gmail.com | [linkedin.com/in/frestyauliaputranti](https://www.linkedin.com/in/frestyauliaputranti) | [Personal Portfolio](#)

As a graduate of the Apothecary Program at the University of Jember, I have developed a strong foundation in pharmaceutical quality systems, GMP/CPOB compliance, and quality documentation. Through professional internships in Quality Assurance and pharmaceutical distribution, I gained experience in gap analysis, risk assessment, CAPA development, qualification documentation, and regulatory compliance activities. These experiences strengthened my analytical thinking, attention to detail, and problem solving skills while fostering a quality-focused mindset. I am eager to contribute to maintaining quality and professional standards within the pharmaceutical industry.

EDUCATION
