Note:

1. Vendor will not be responsible for any damage (except for production defect and things covered within the warranty) that may happen after the goods are delivered and received by the customer.
2. Cancellation fee of 25% Purchase Order value will be charged to the customer if order is cancelled.
3. Vendor reserves the right to not proceed any further works if overdue payment is not settled within the agreeable time written on the Term of Payment.
4. The ownership of goods will stay under PT. Grundfos Pompa until full payment is made to the vendor. Vendor reserves the right to recover the goods from the site (installed or not) if payment is not being made according to the Term of Payment.
5. Late payment that exceeds 30 days of the due date will be charged with 2% penalty fee (from the unpaid value) which will be added to the invoice to the customer. Penalty Fee will be added in 2% increment every 30 days after the payment is due.
6. If the project is located outside the area, there will be additional costs for delivery and testing commissioning
