OHAUS #83041073	OHAUS Frontier™ 5000 Series Multi FC5707 + R09	Frontier 5000 Multi Centrifuges are reliable compact low-speed general purpose centrifuges ideal for processing a small number of blood tubes as well as urine tubes. The standard rotor options can process both round and conical bottom tubes (including common blood tubes) and can also be adapted easily with accessories to process smaller tubes. Designed with convenient operation in mind, the Multi Centrifuges feature an intuitive interface. The compact profile helps to save valuable bench space in labs. Speed Range : 200 rpm – 6,800 rpm Maximum Relative Centrifugal Force : 4,445 x g Maximum Capacity(Rotor) : 4x50ml RB/FA or 4x15ml RB/FA Include IQ OQ & Calibration KAN	1,00	IDR 26.000.000,00	IDR 26.000.000,00

Total Price IDR 26.000.000,00

Grand Total IDR 26.000.000,00

Terms and Conditions

1. Harga telah termasuk dengan biaya pengiriman, instalasi, dan pelatihan di area Jabodetabek, dengan minimum pembelian sebesar satu juta rupiah. Apabila alamat pengiriman berada di luar Jabodetabek, maka akan diberlakukan harga pengiriman sesuai dengan ketentuan yang berlaku.

Prices quoted above have already been included with delivery, installation, and training around Jabodetabek, with minimum purchase of 1 million IDR. Should the address be outside of Jabodetabek, there will be additional cost in regards to the delivery fees.

2. Harga yang ditawarkan pada surat penawaran ini belum termasuk dengan penambahan biaya PPN 11% terkecuali telah diberikan keterangan penambahan harga pada kolom pajak terkait.

The price offered in this quotation letter does not include the additional 11% VAT fee unless the additional price is given in the tax column.

3. Validitas penawaran berlaku selama dibuat dalam format resmi yang dikeluarkan PT. Pasifik Saintifindo dengan masa berlaku 30 hari semenjak surat penawaran diterbitkan.

The validity of the offer is valid as long as it is made in an official format issued by PT. Pasifik Saintifindo with a validity period of 30 days since the offer letter is issued.

4. Stok barang selalu ada dan tidak bersifat terikat.

Quoted items are readily available with unbound stock.

5. PT. Pasifik Saintifindo tidak bertanggungjawab secara hukum apabila terjadi kesalahan pemesanan barang yang berasal dari pihak pembeli. Pemesanan barang didasarkan kepada surat pembelian yang dikeluarkan oleh pihak pembeli.

PT. Pasifik Saintifindo is not legally responsible if there is an error of purchased goods from the buyer. Items are ordered based on the buyer's purchase order letter.

6. Termin pembayaran dilaksanakan berdasarkan kesepakatan diantara PT. Pasifik Saintifindo dan pihak pembeli yang terkait.

Payment terms are carried out based on the agreement between PT. Pasifik Saintifindo and the related buyers.
