About USP-NF/PF English: This subscription is for 1 year and includes access to all published content since USP41-NF36, including monthly postings of accelerated revisions. The USP-NF/PF is a combination of two compendia, the United States Pharmacopeia (USP) and the National Formulary (NF), with the addition of the Pharmacopeial Forum (PF). It contains standards for medicines, dosage forms, drug substances, excipients, biologics, compounded preparations, medical devices, dietary supplements, and other therapeutics.

[For more information, visit the Release Notes for the English USP-NF/PF Online.](#)
